

Average Distance to Center vs Mean Trip Duration

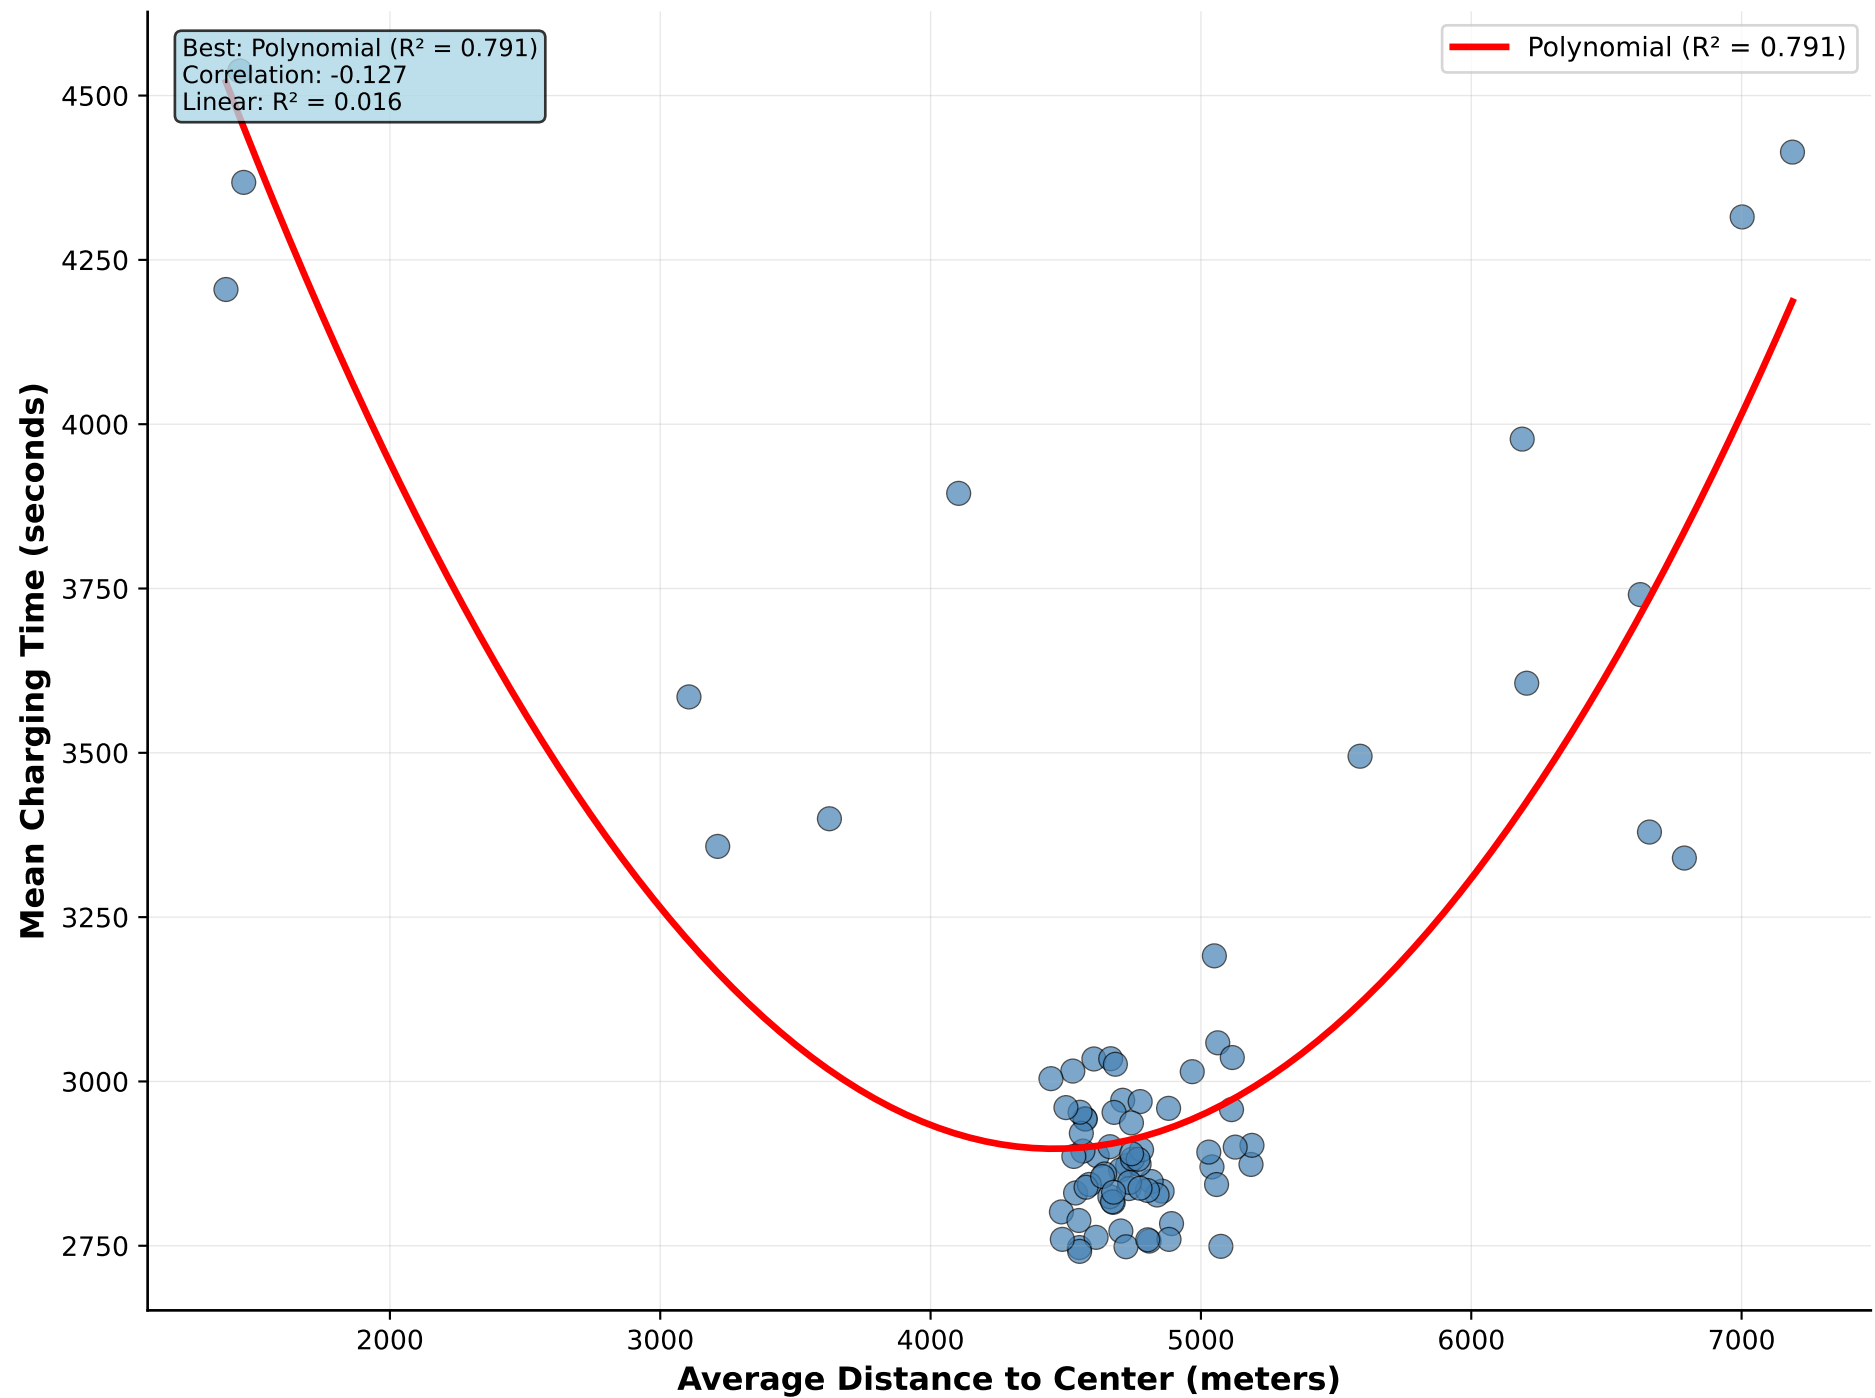

Average Distance to Center vs Median Trip Duration

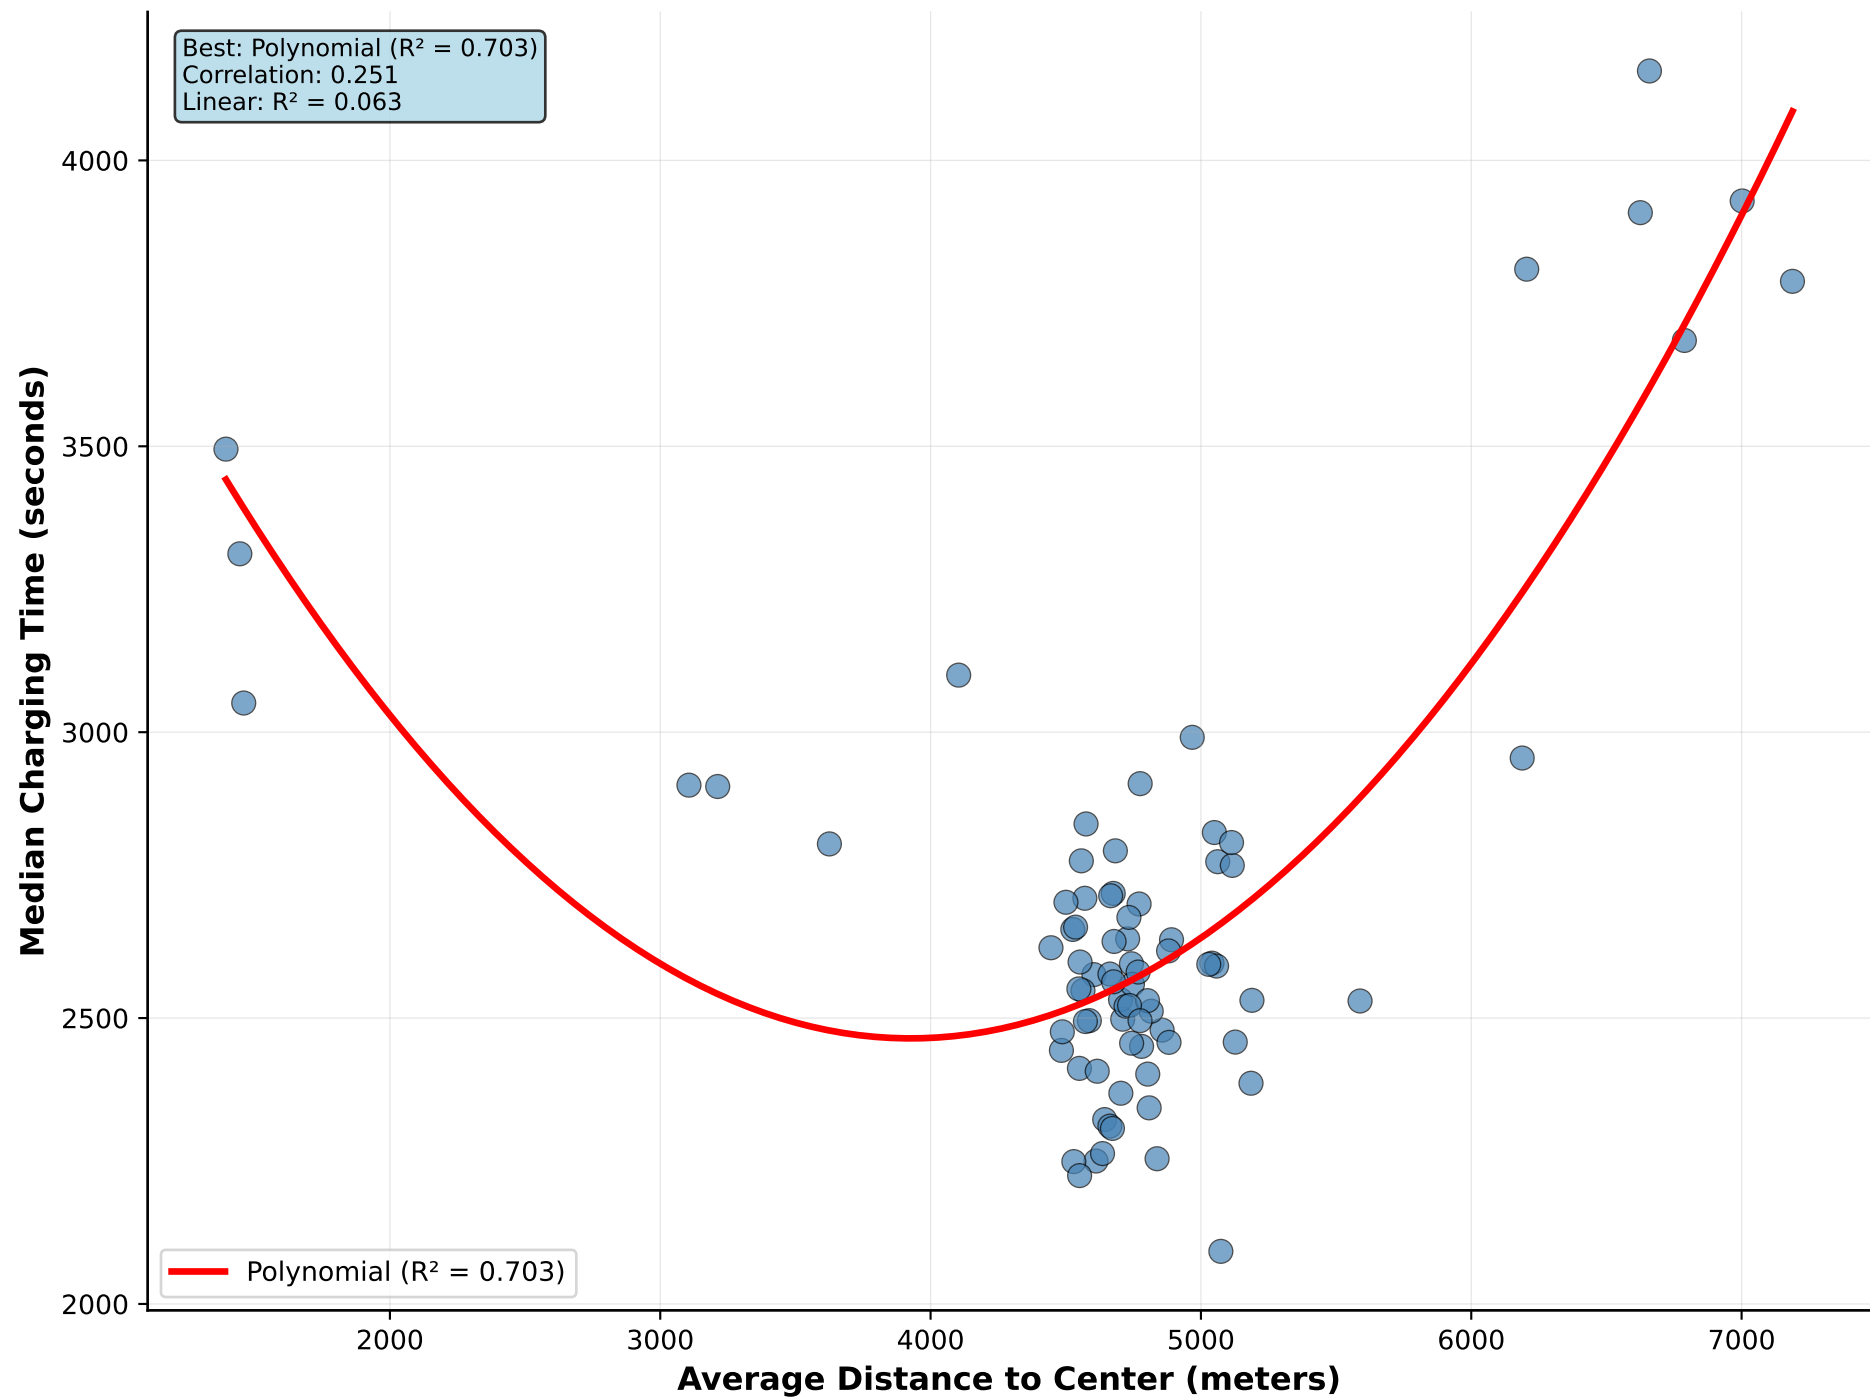

Average Distance to Center vs 90th Percentile Trip Duration

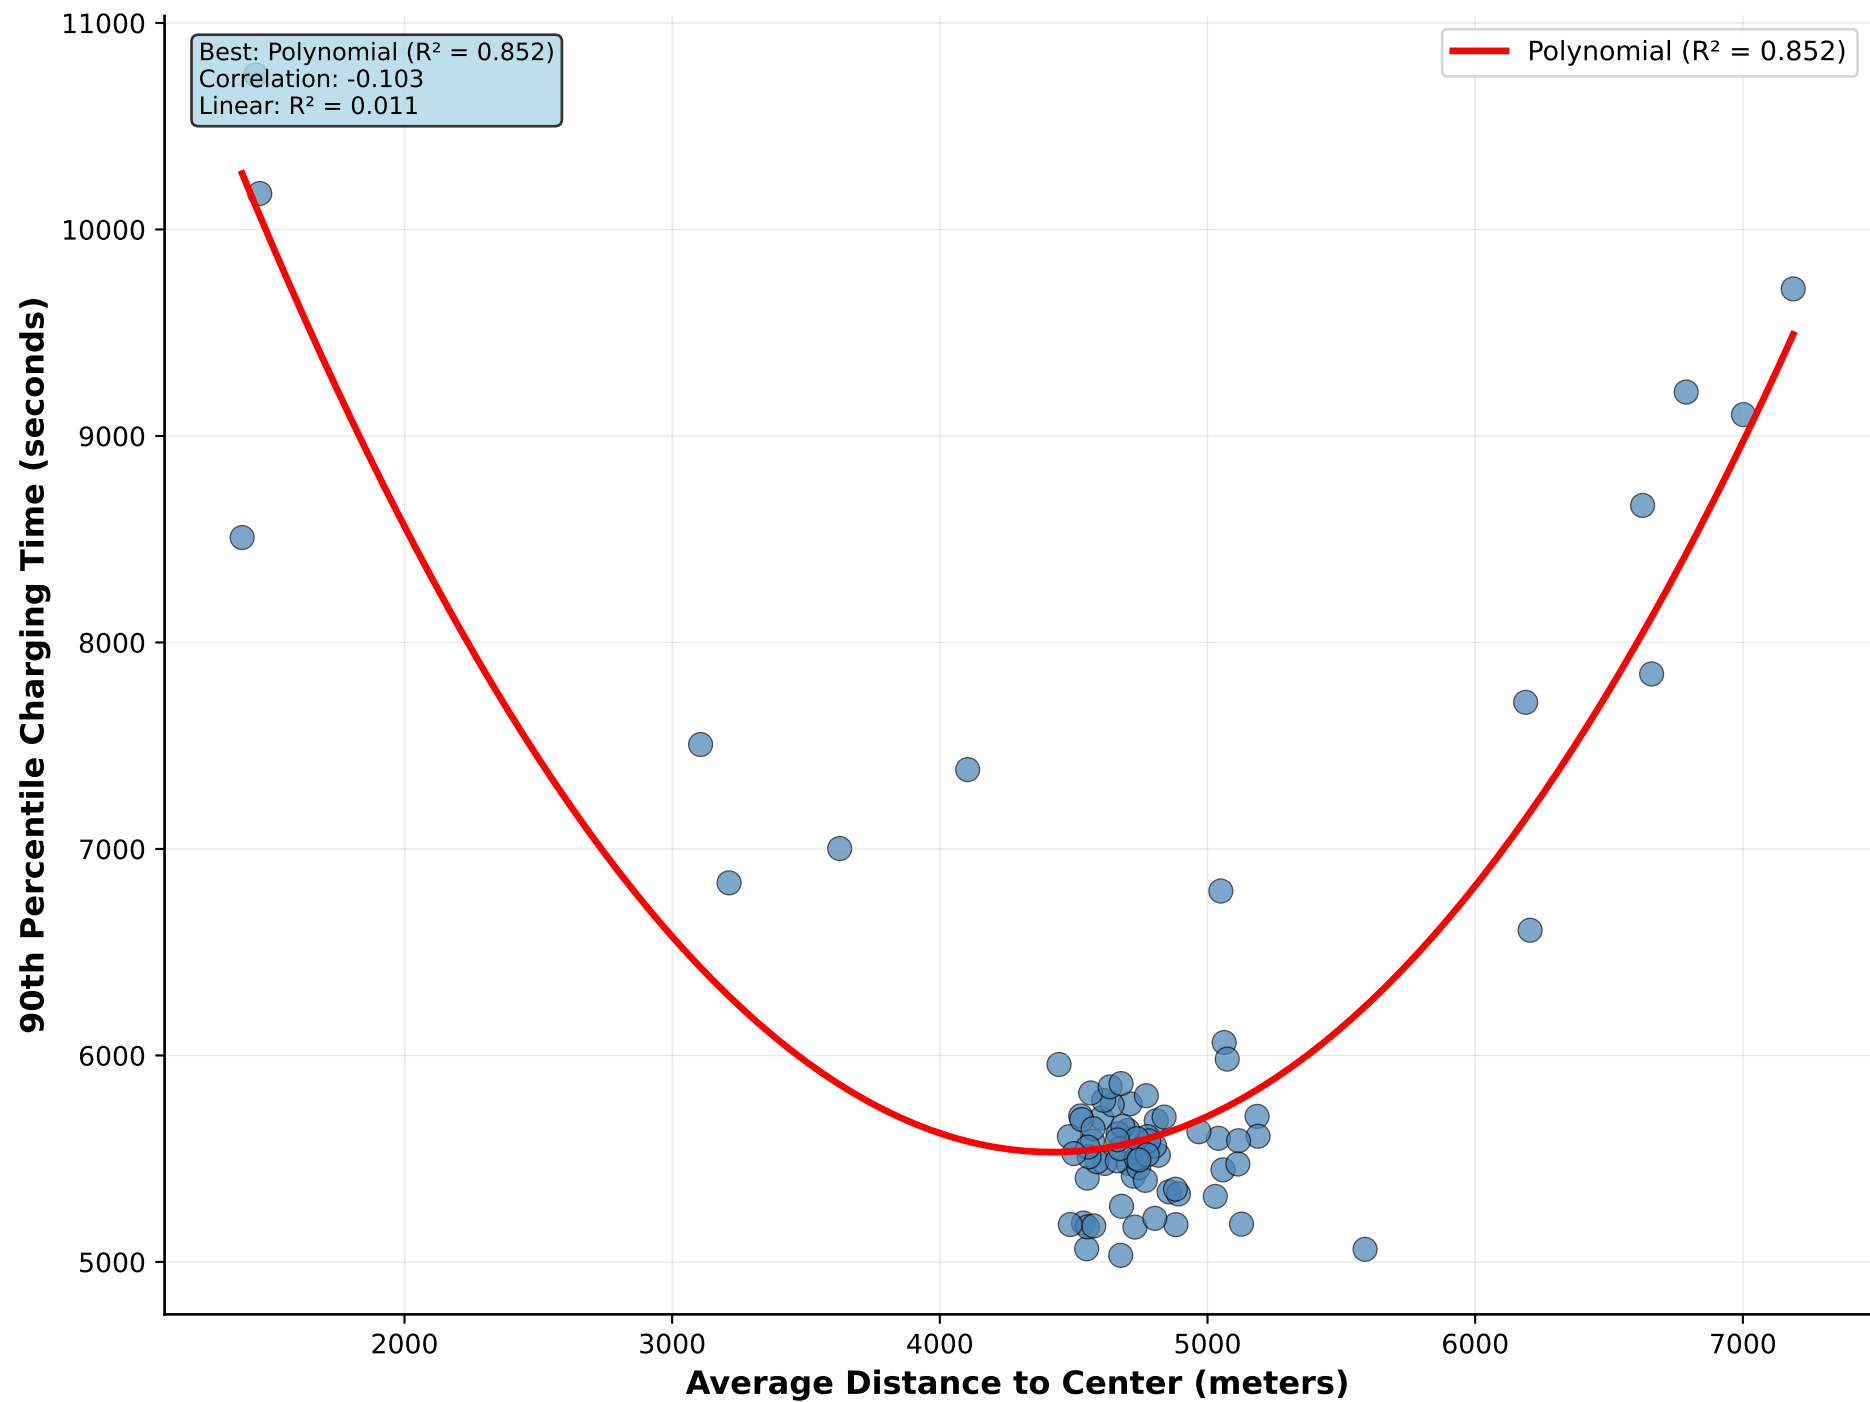

Average Distance to Center vs Mean Charging Time

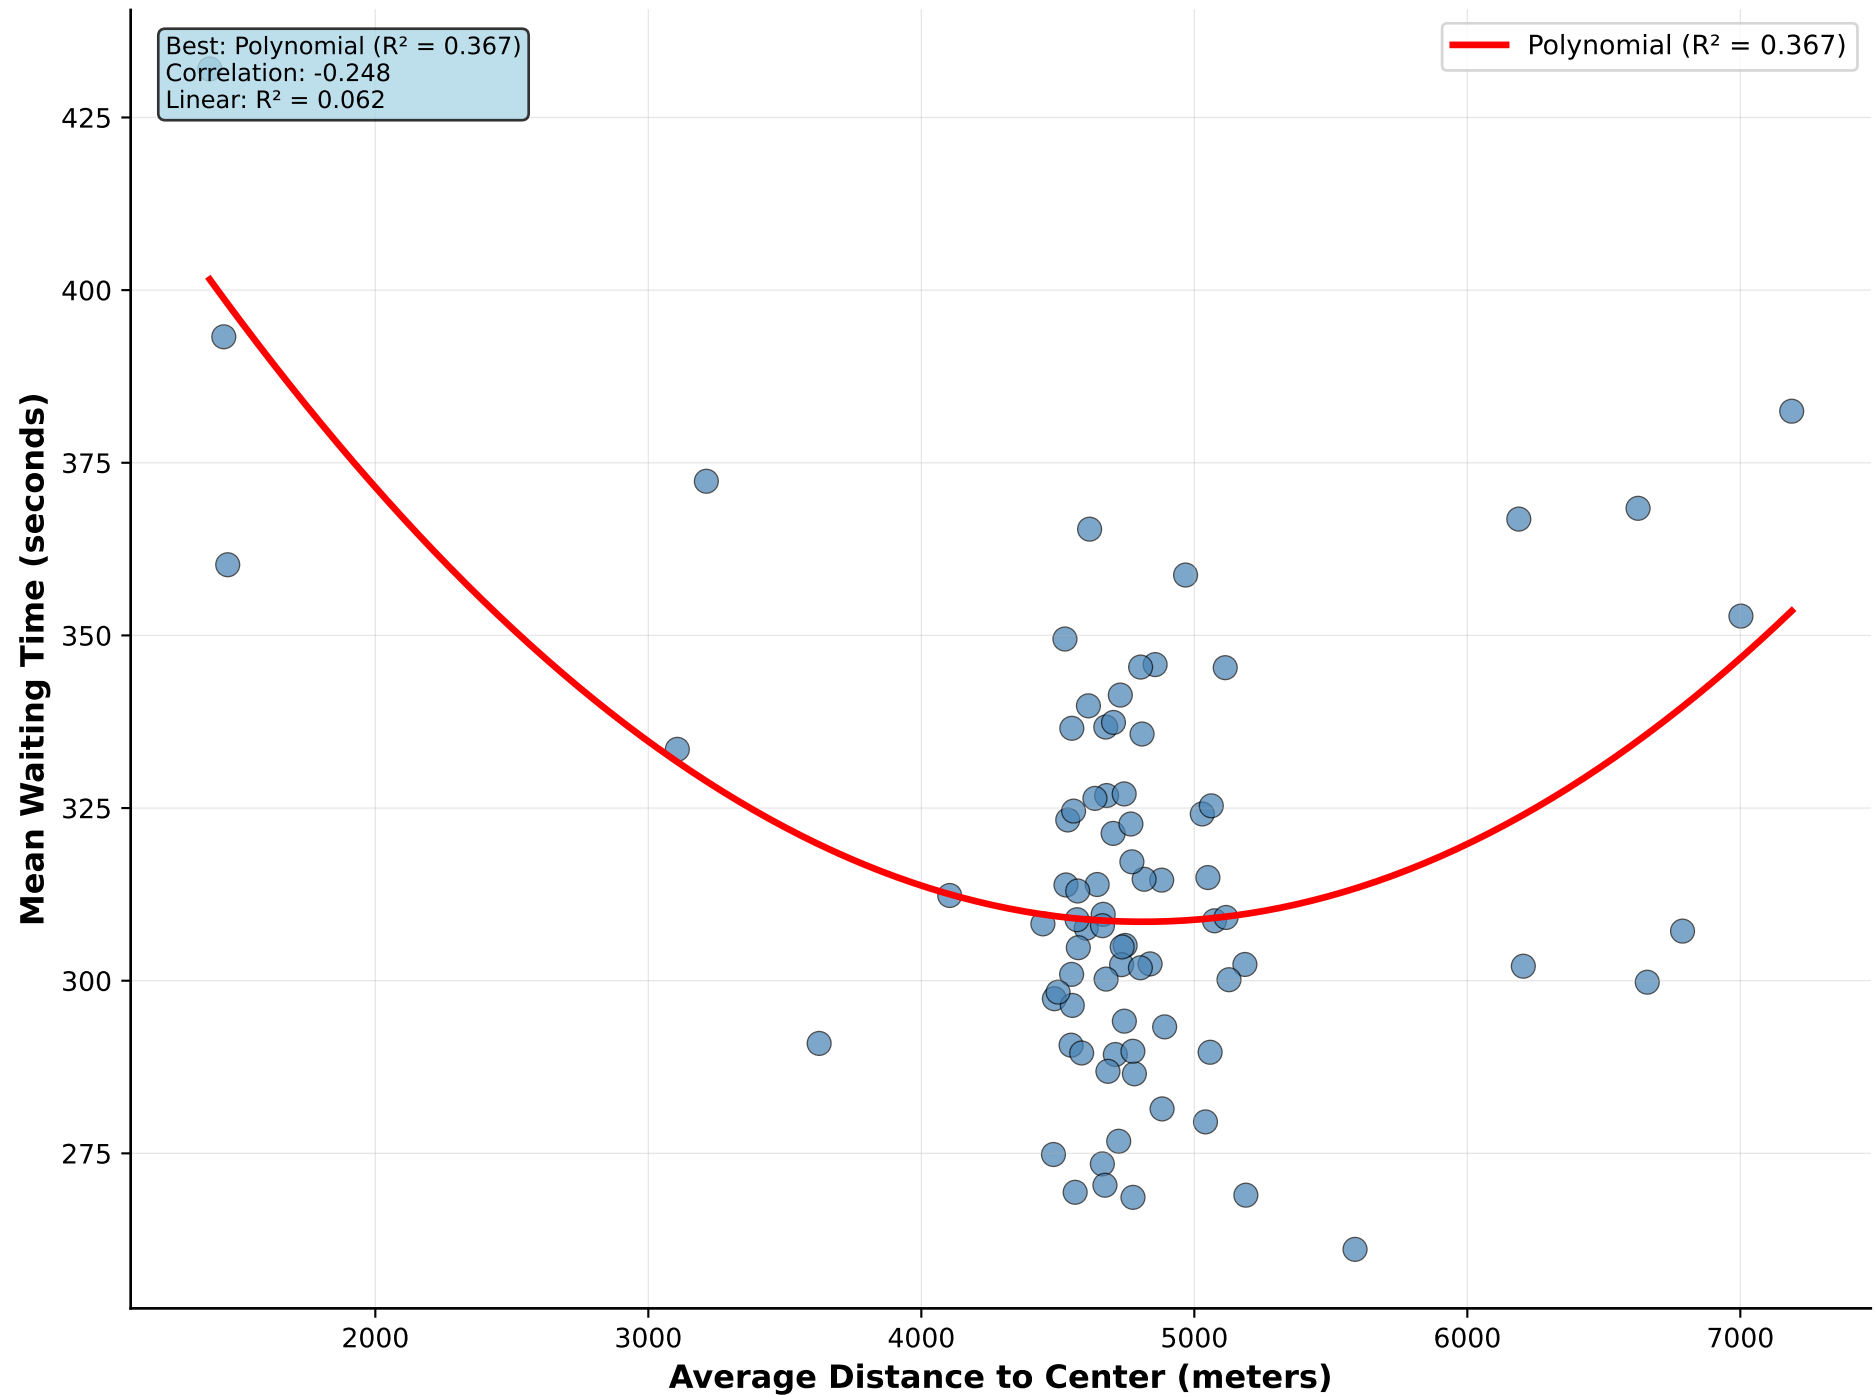

Average Distance to Center vs Median Charging Time

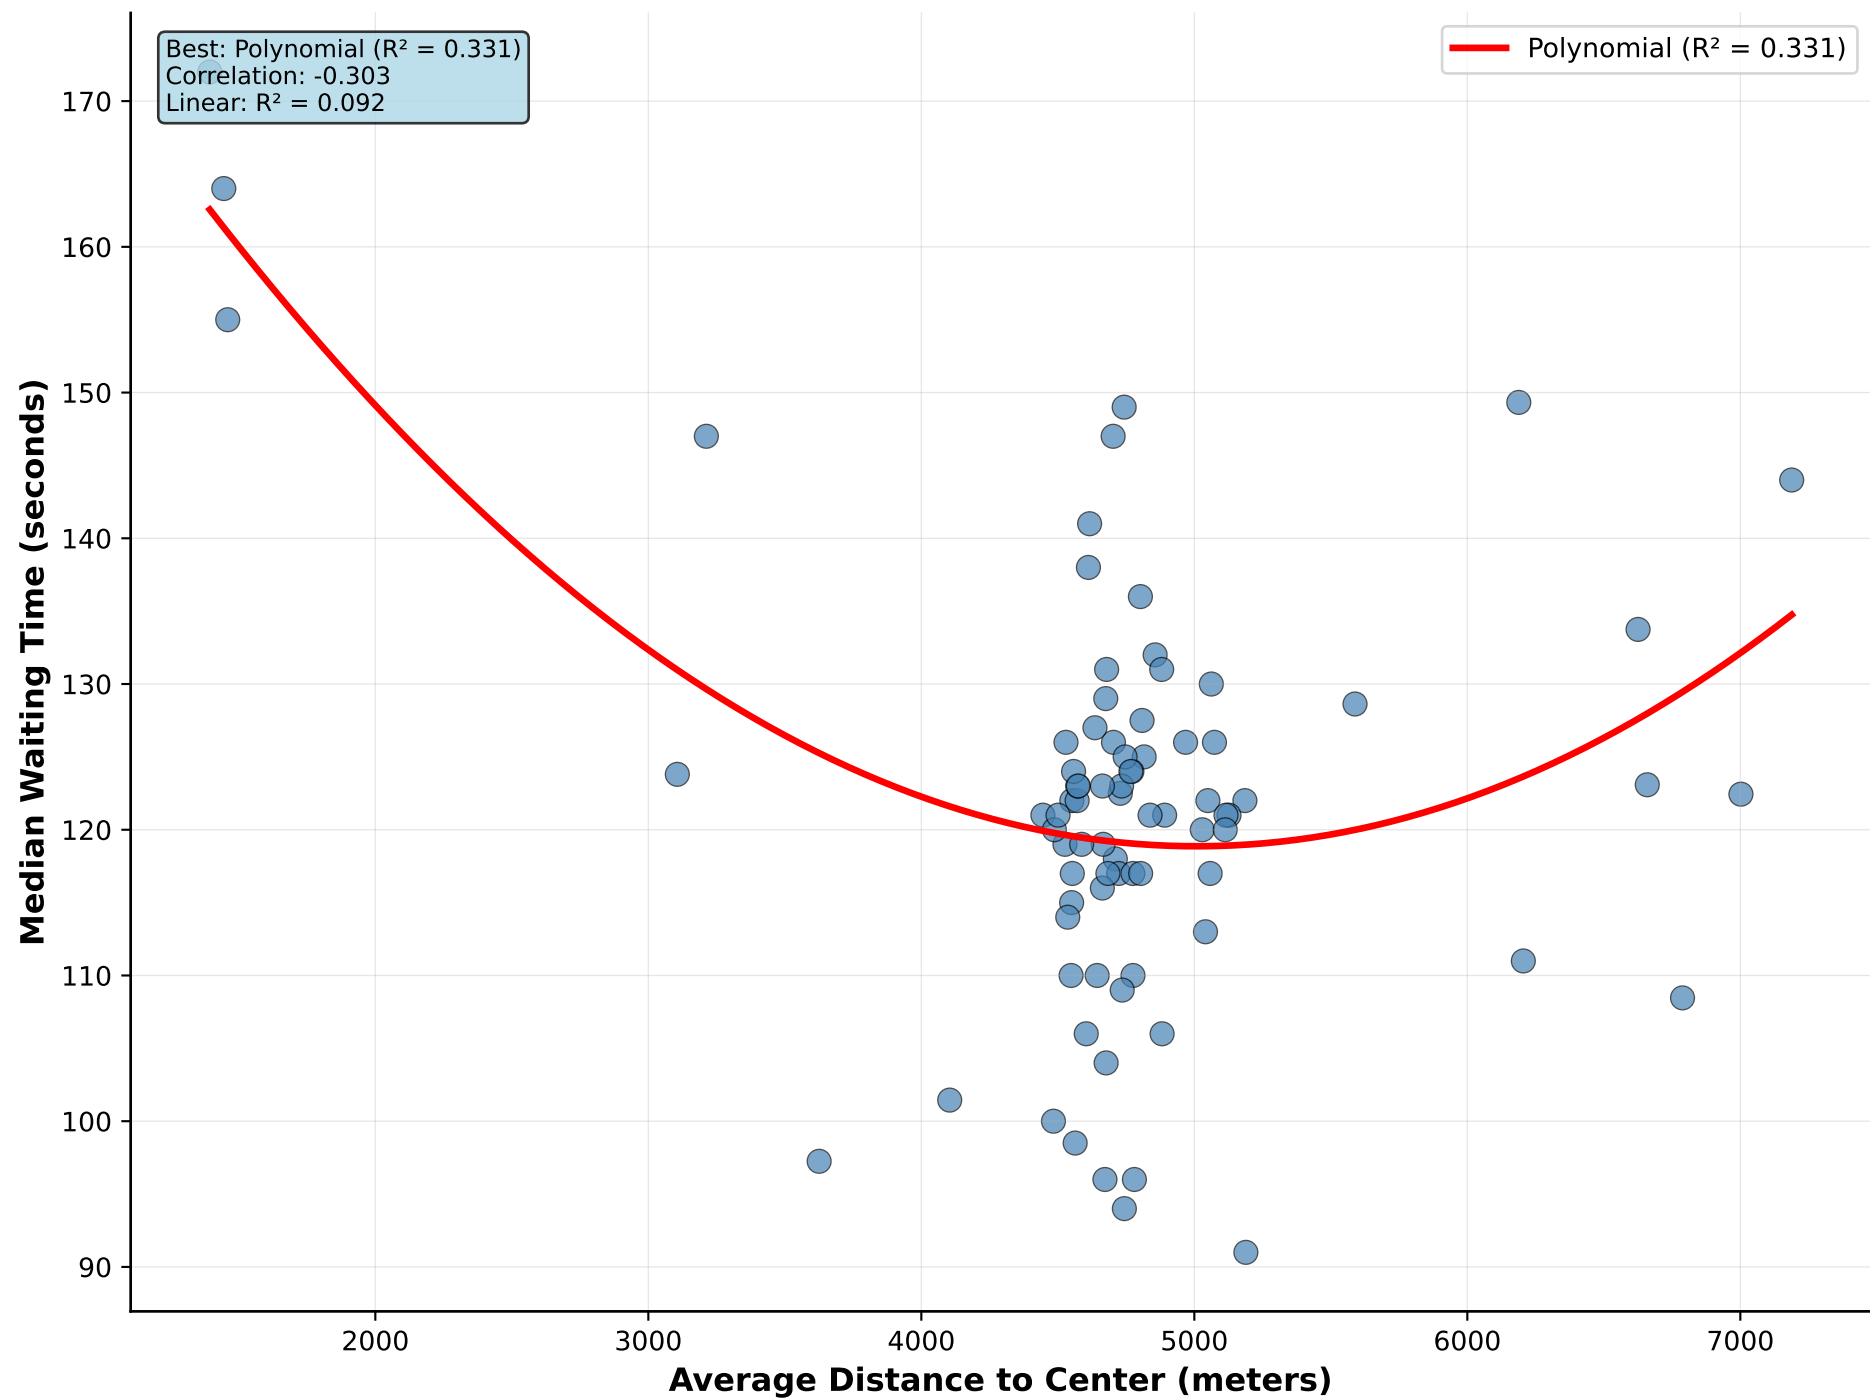

Average Distance to Center vs 90th Percentile Charging Time

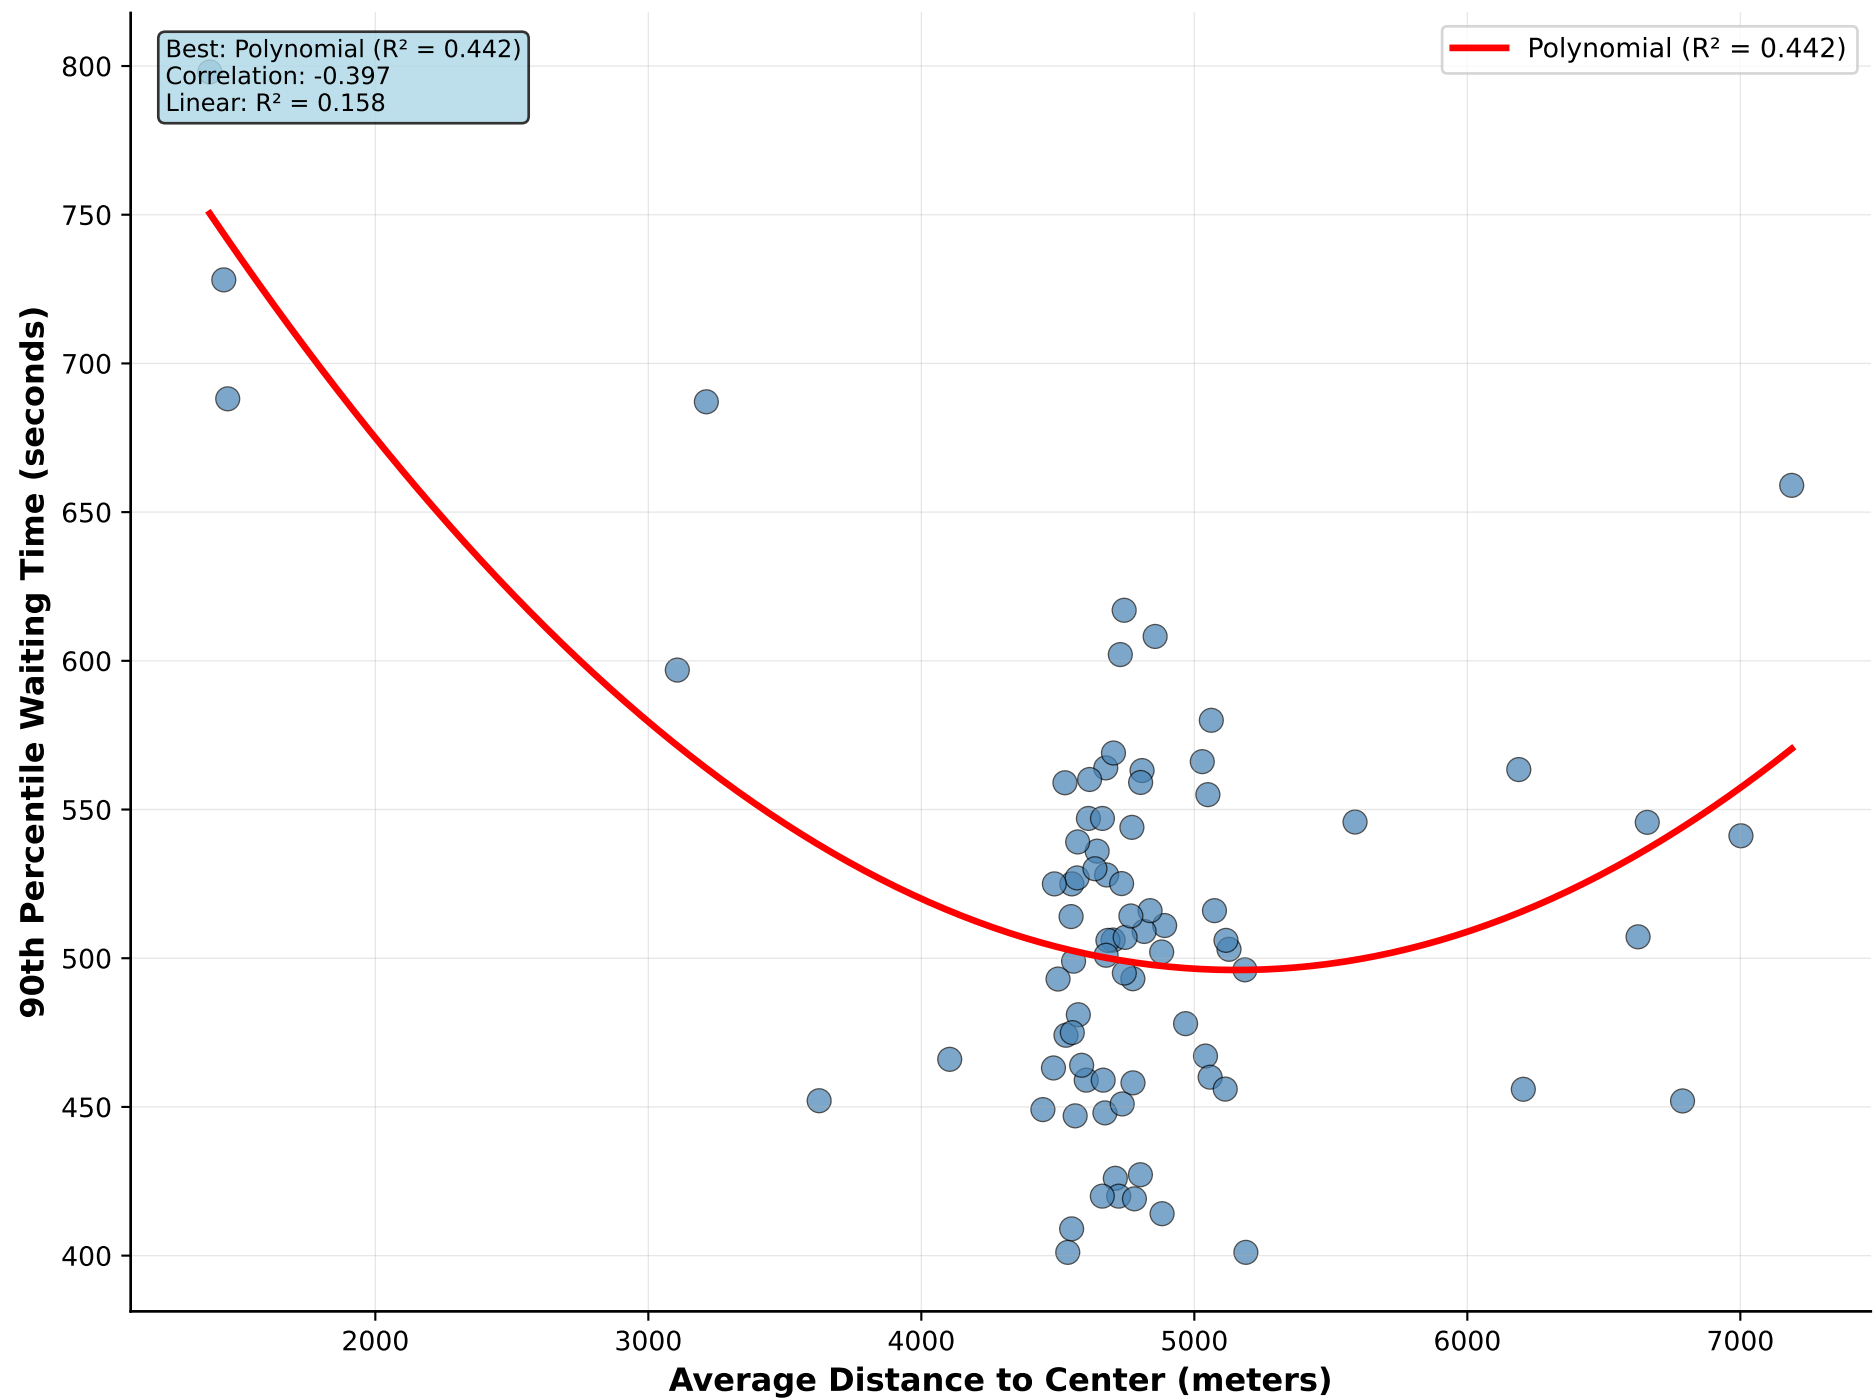

Average Distance to Center vs Mean Waiting Time

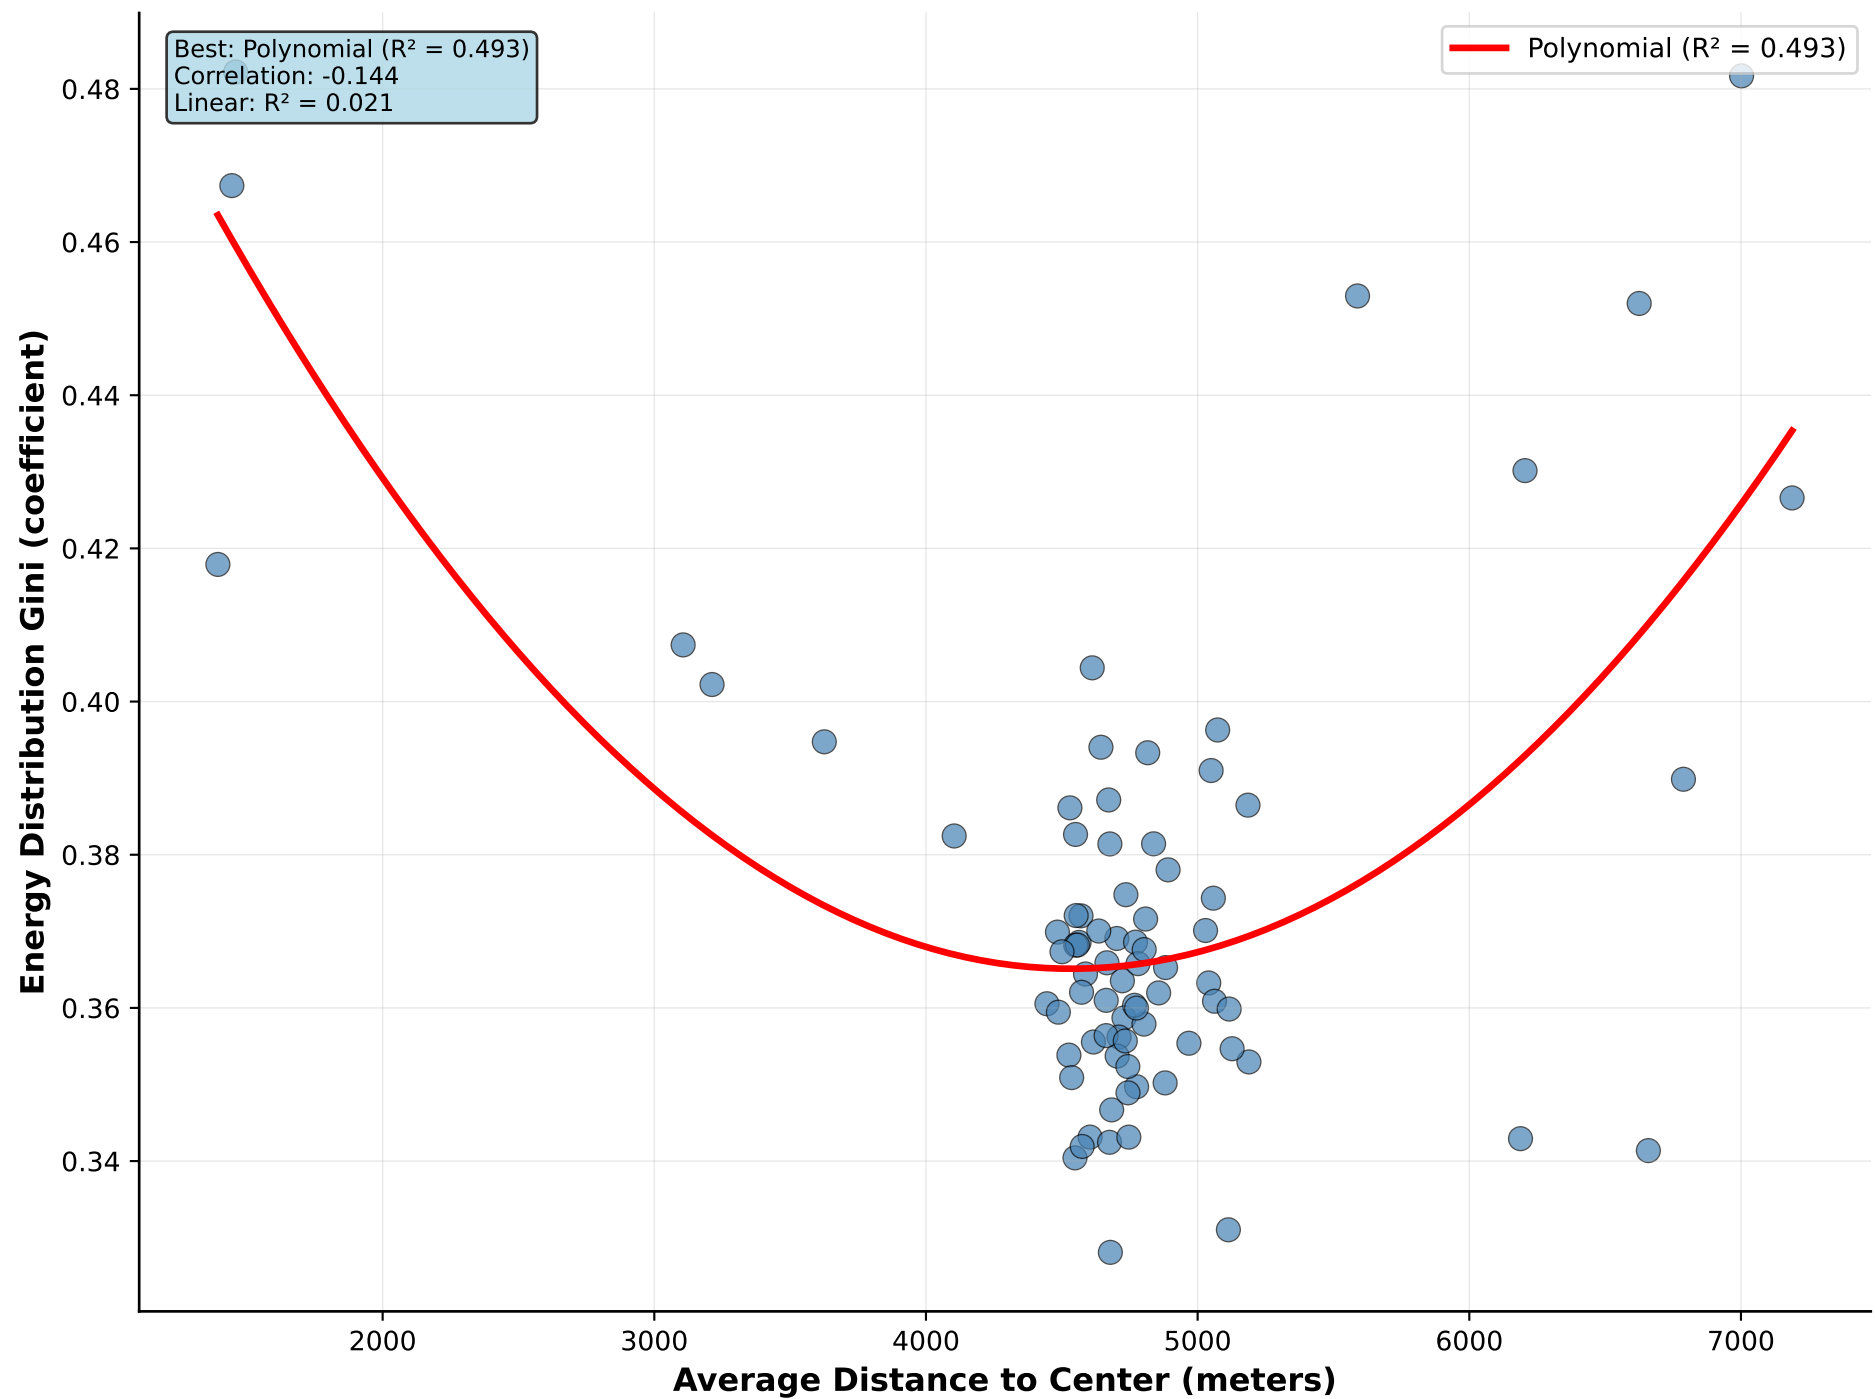

Average Distance to Center vs Median Waiting Time

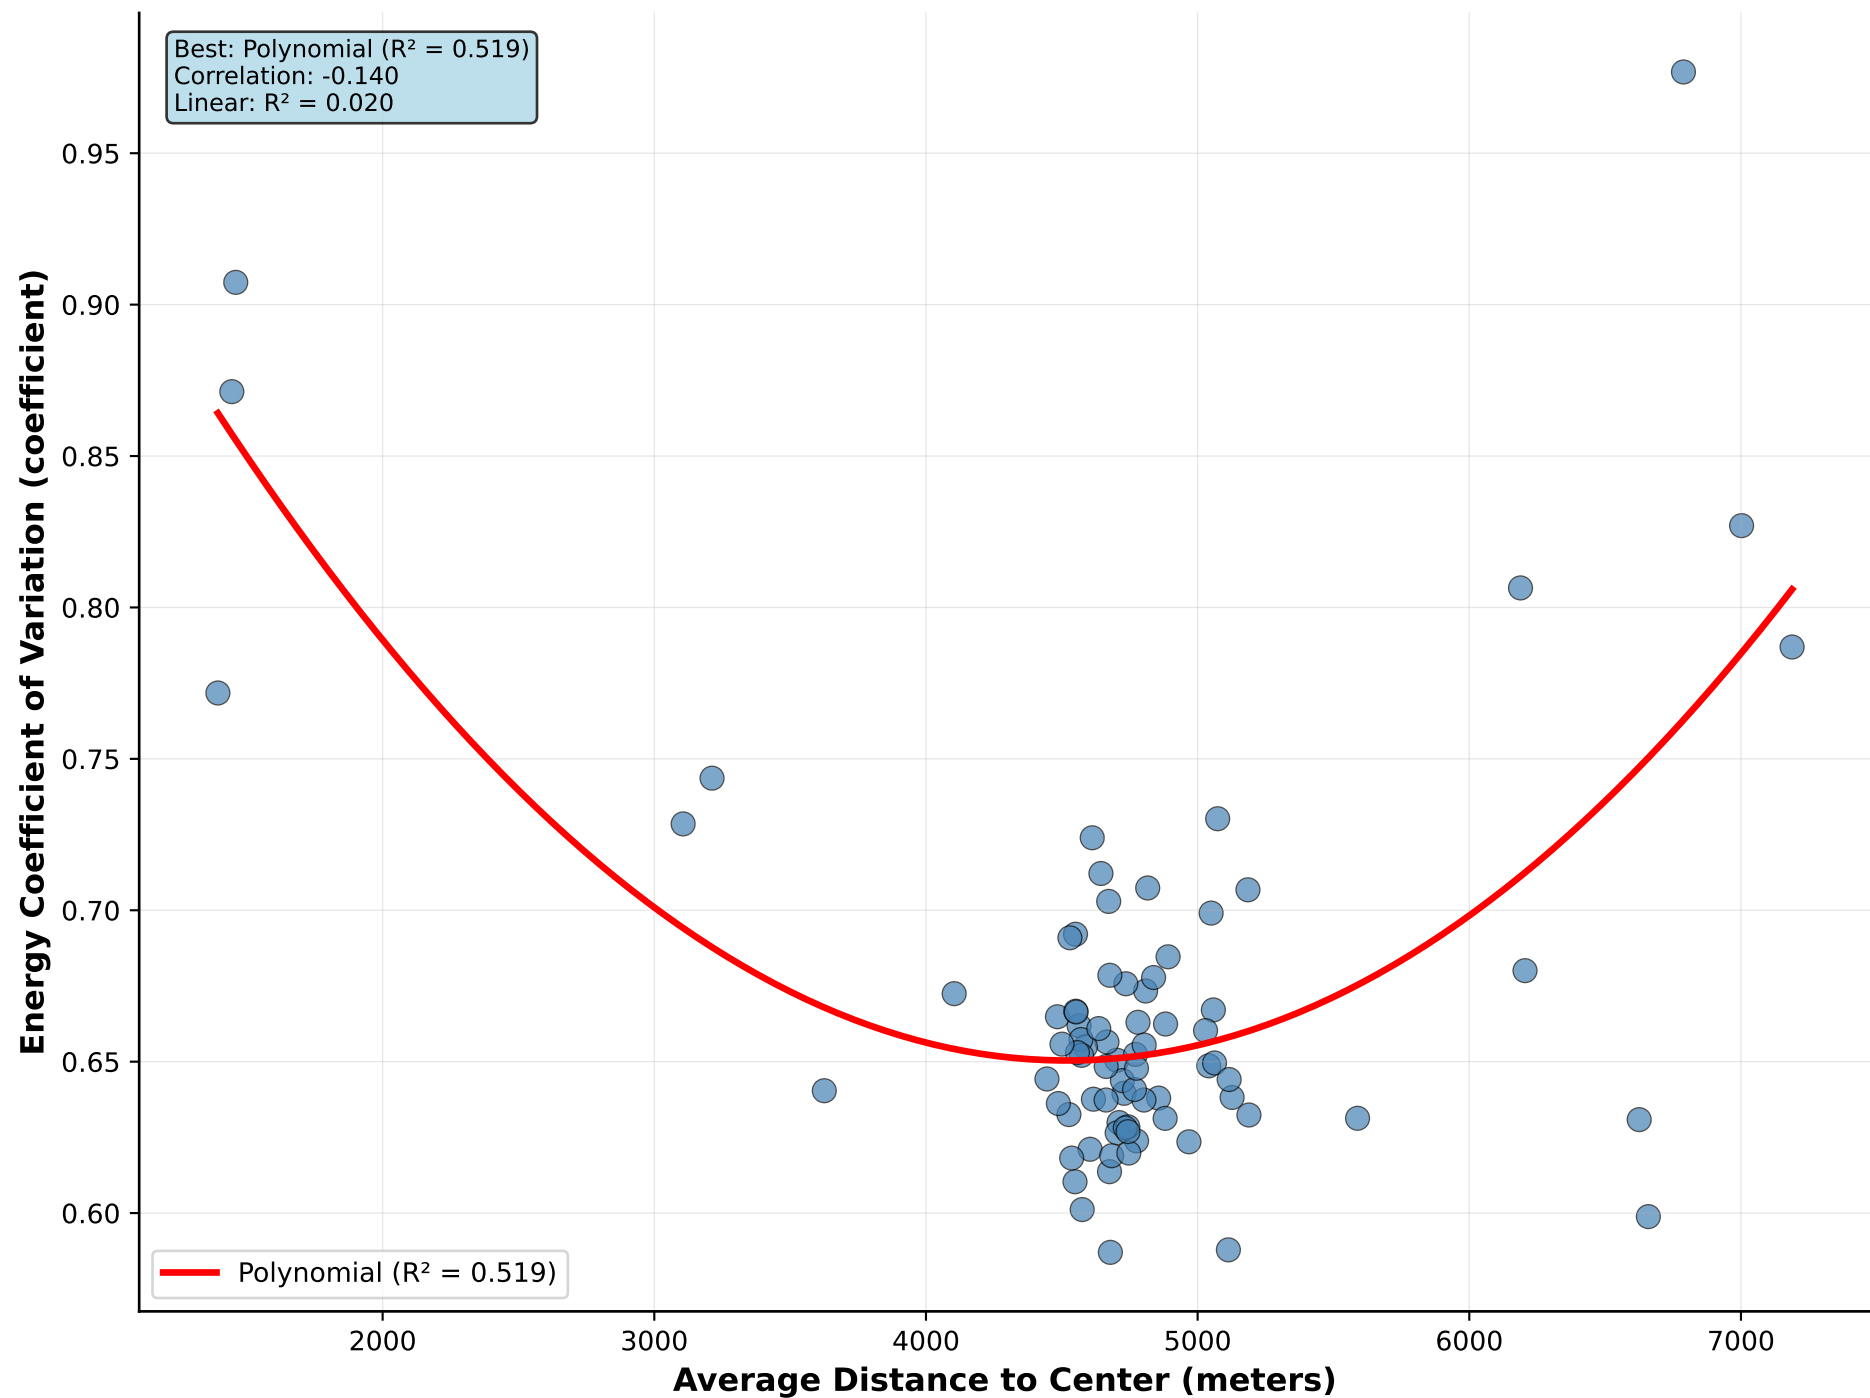

Average Distance to Center vs 90th Percentile Waiting Time

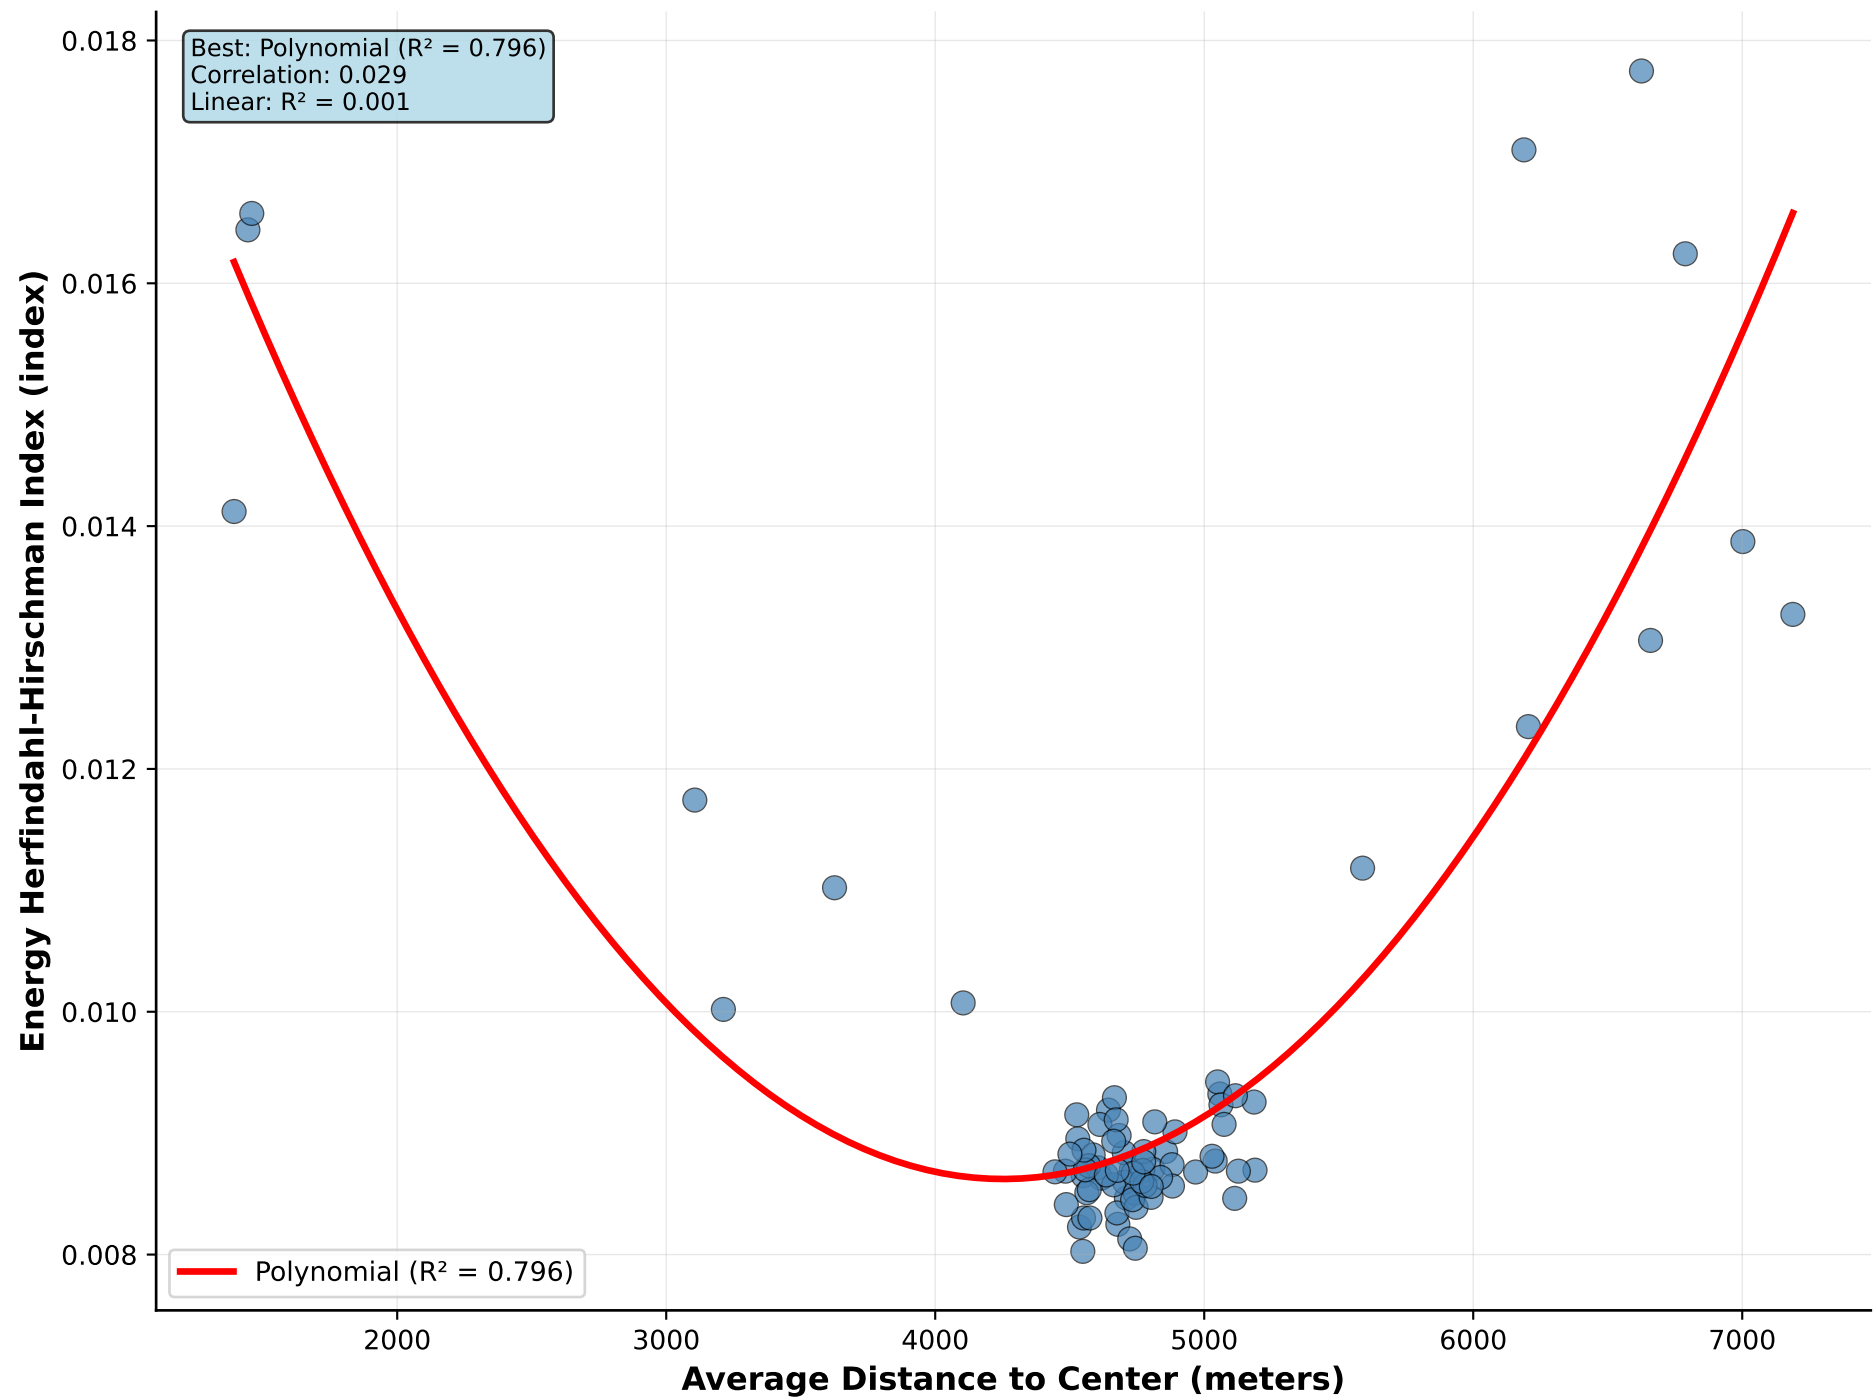

Average Distance to Center vs Energy Distribution Gini

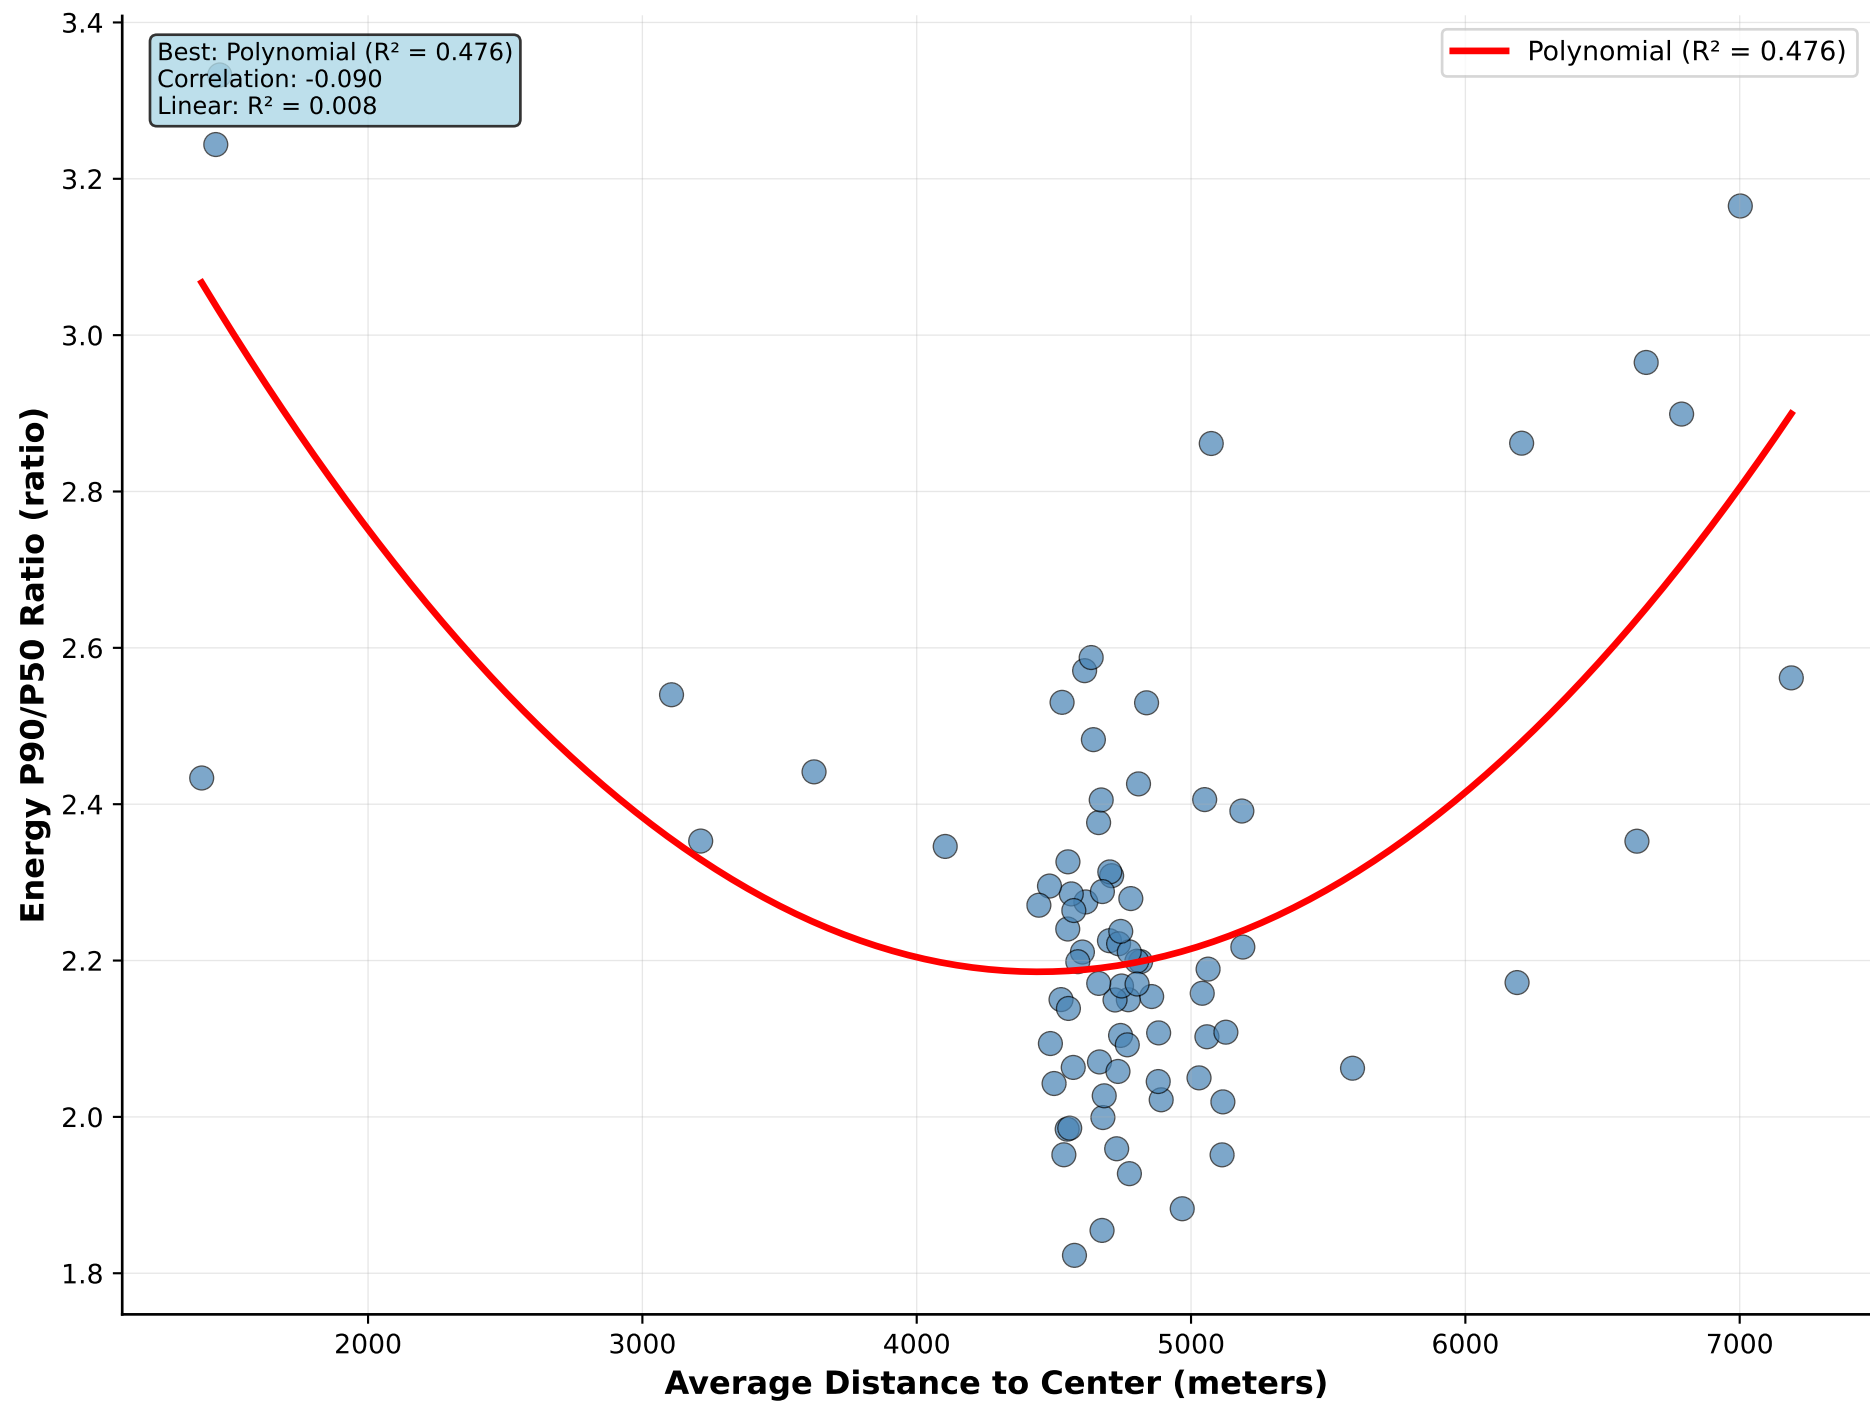

Average Distance to Center vs Energy Coefficient of Variation

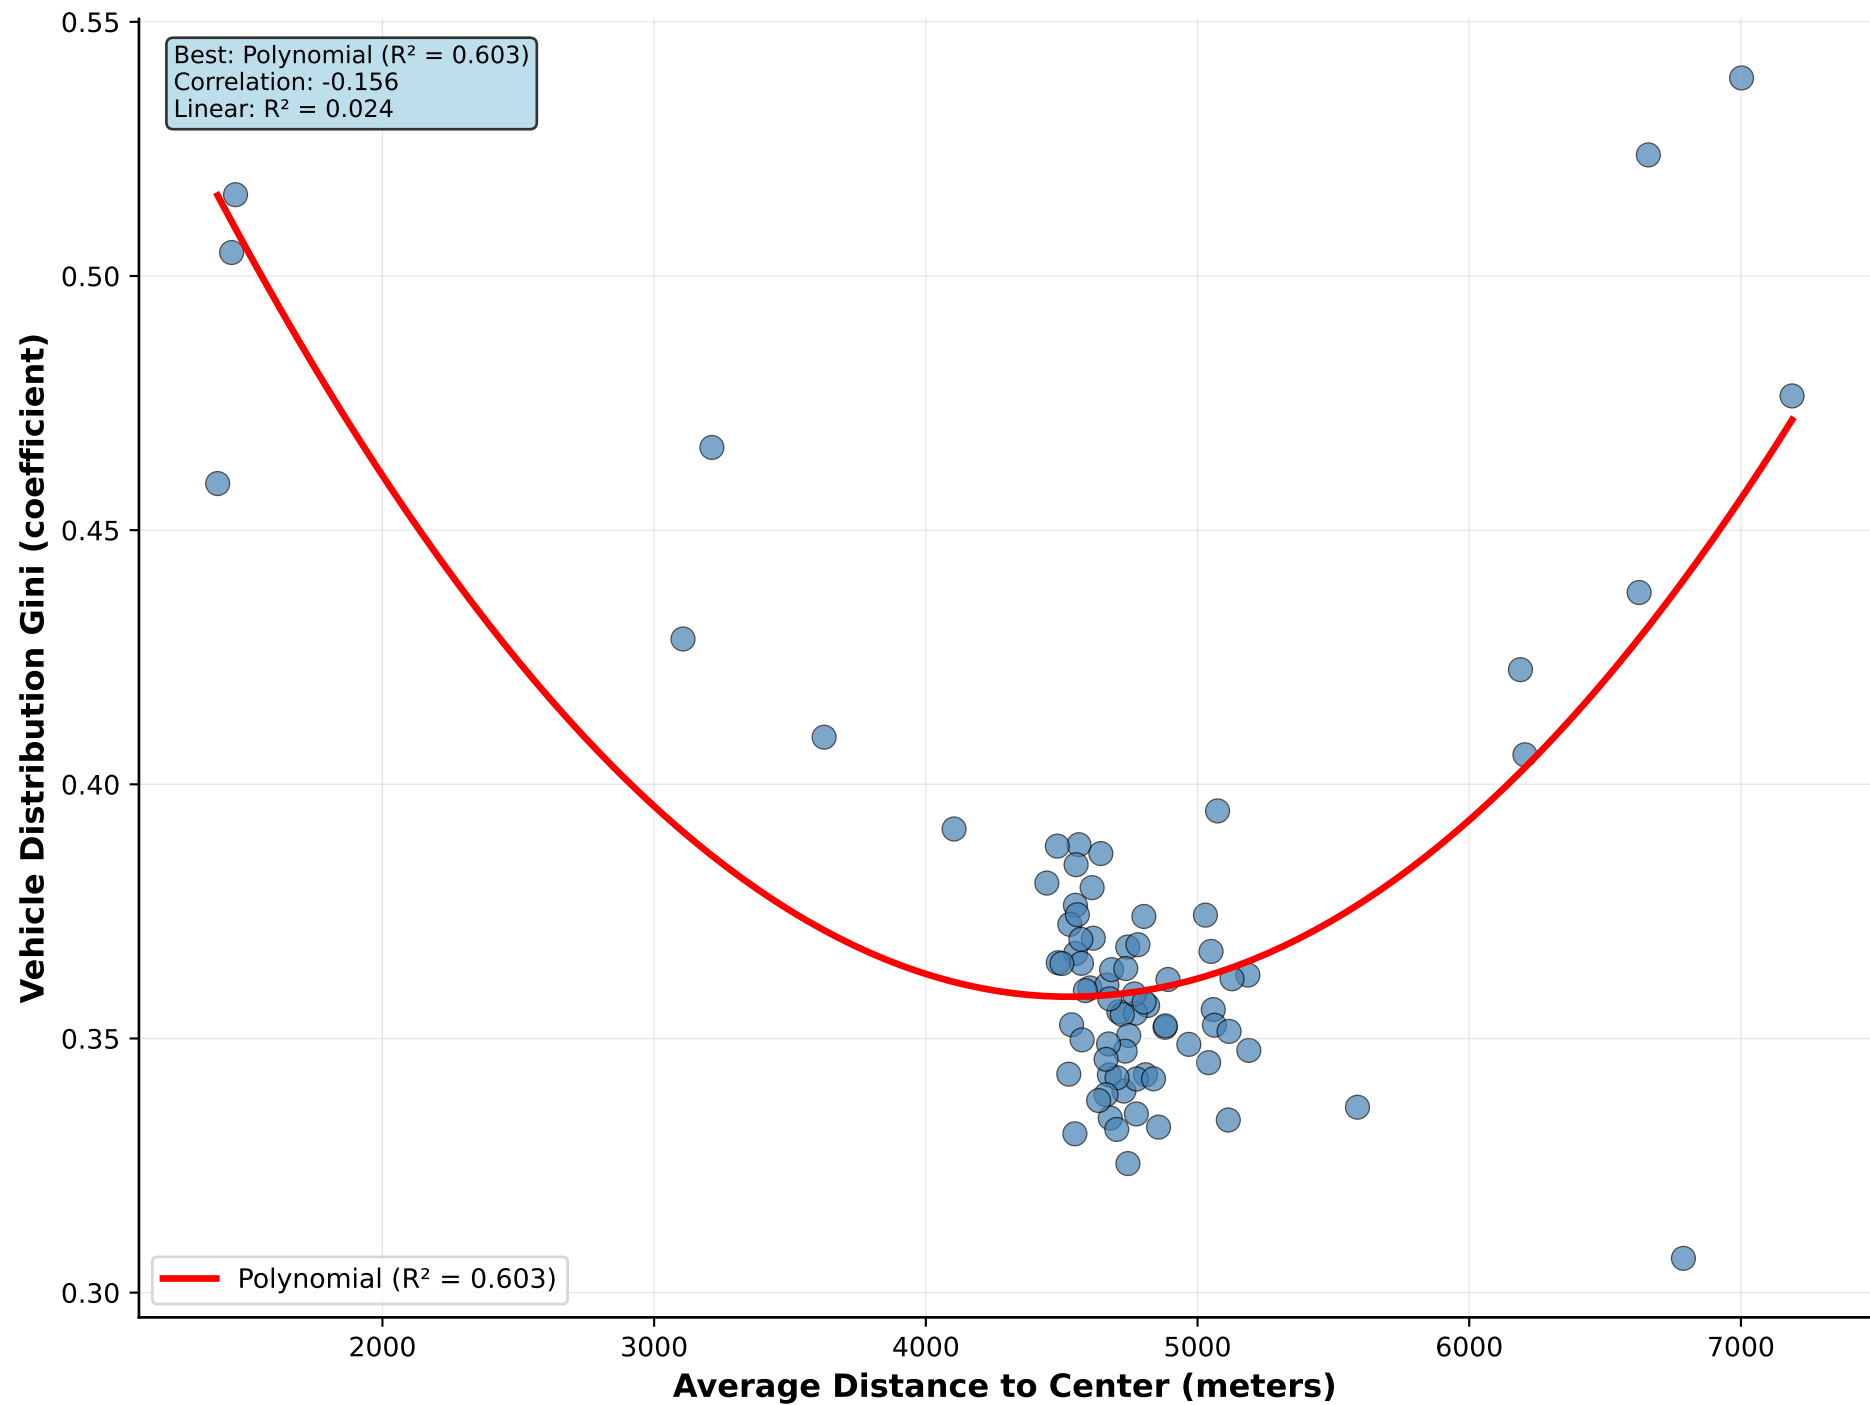

Average Distance to Center vs Energy Herfindahl-Hirschman Index

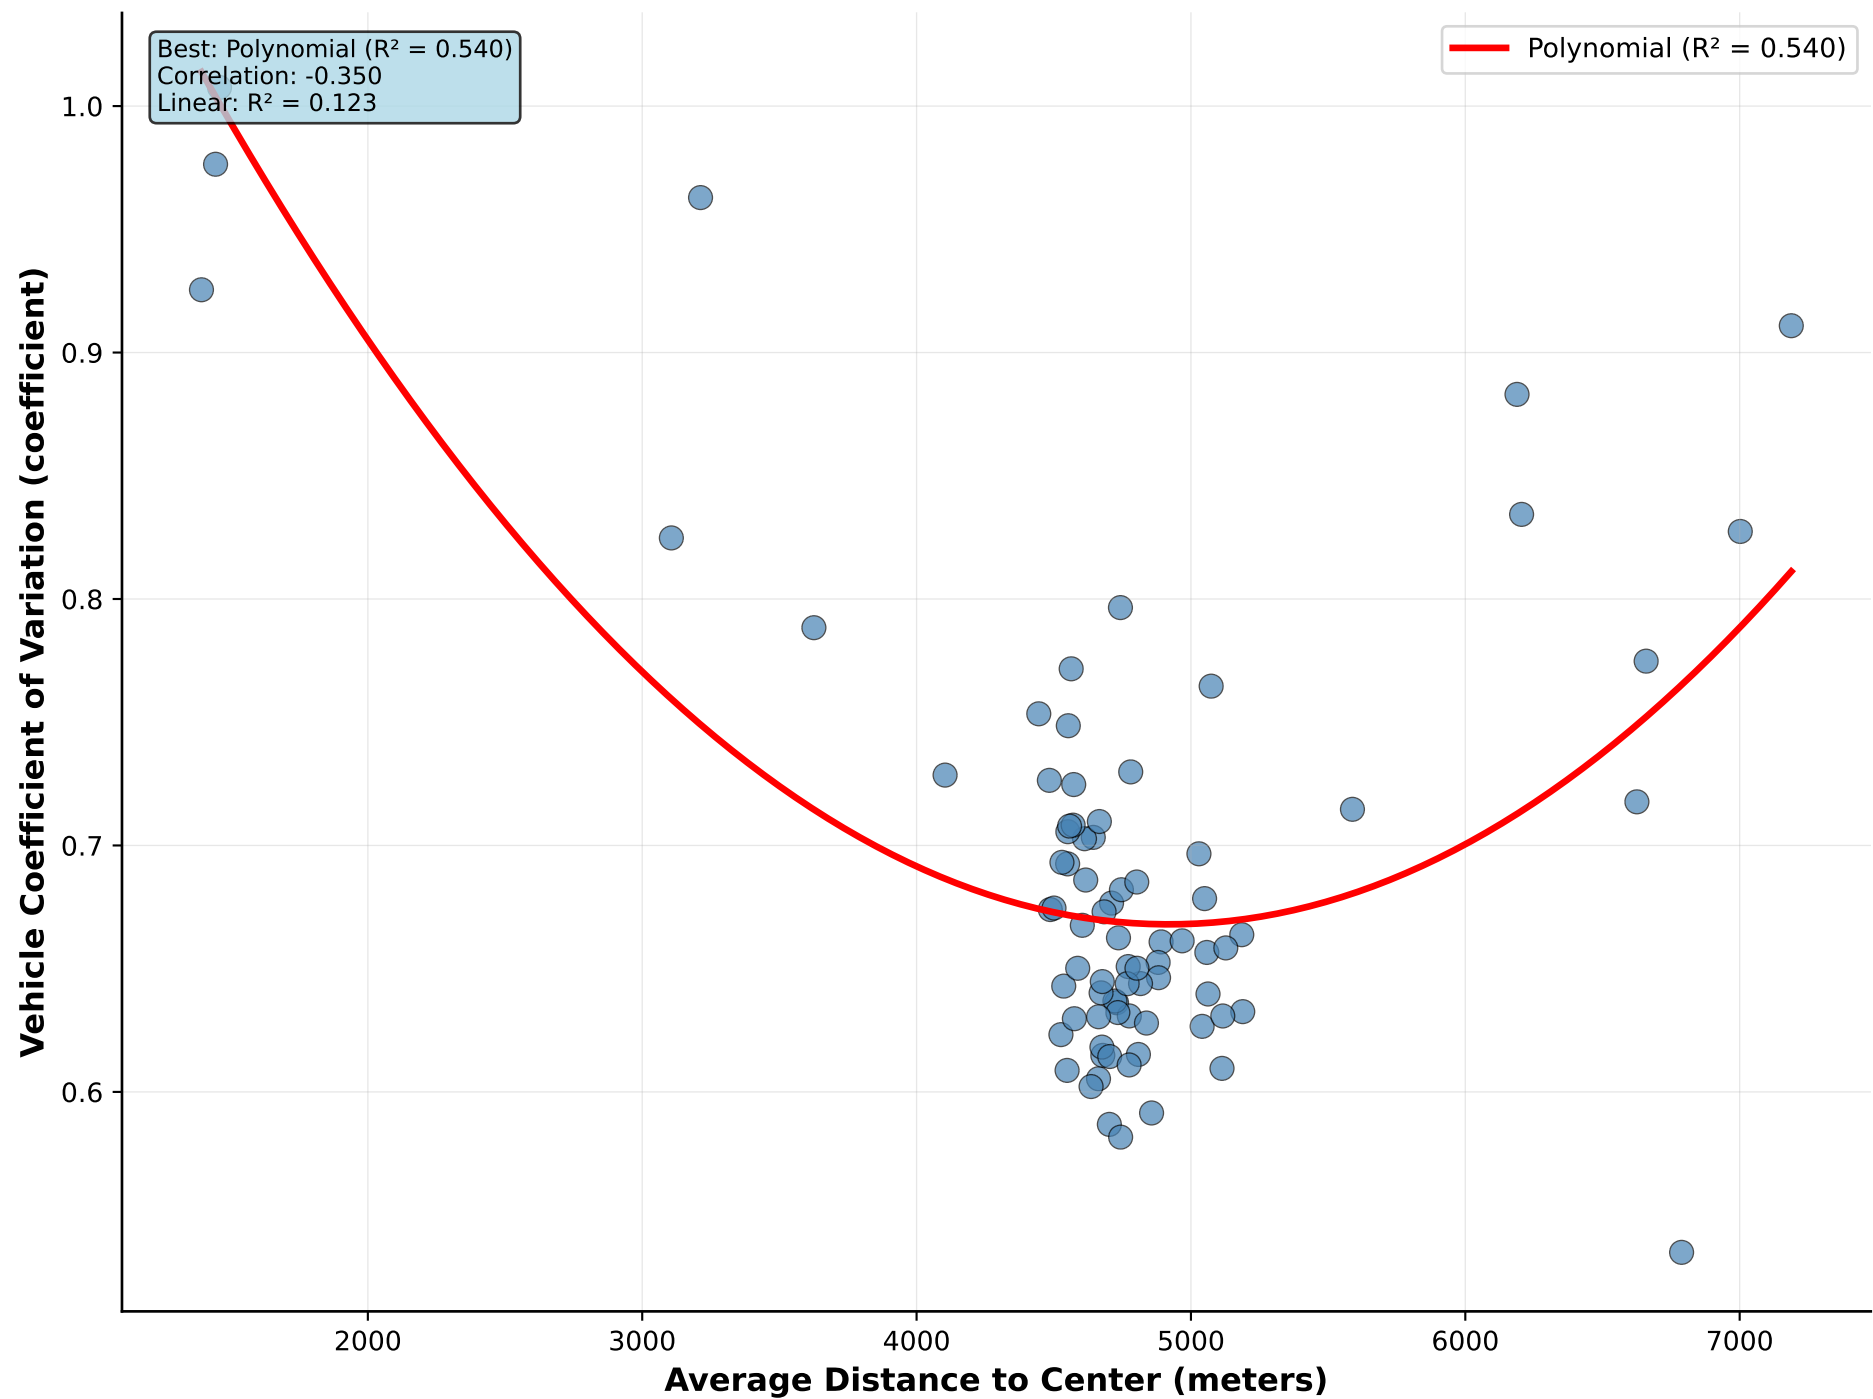

Average Distance to Center vs Energy P90/P50 Ratio

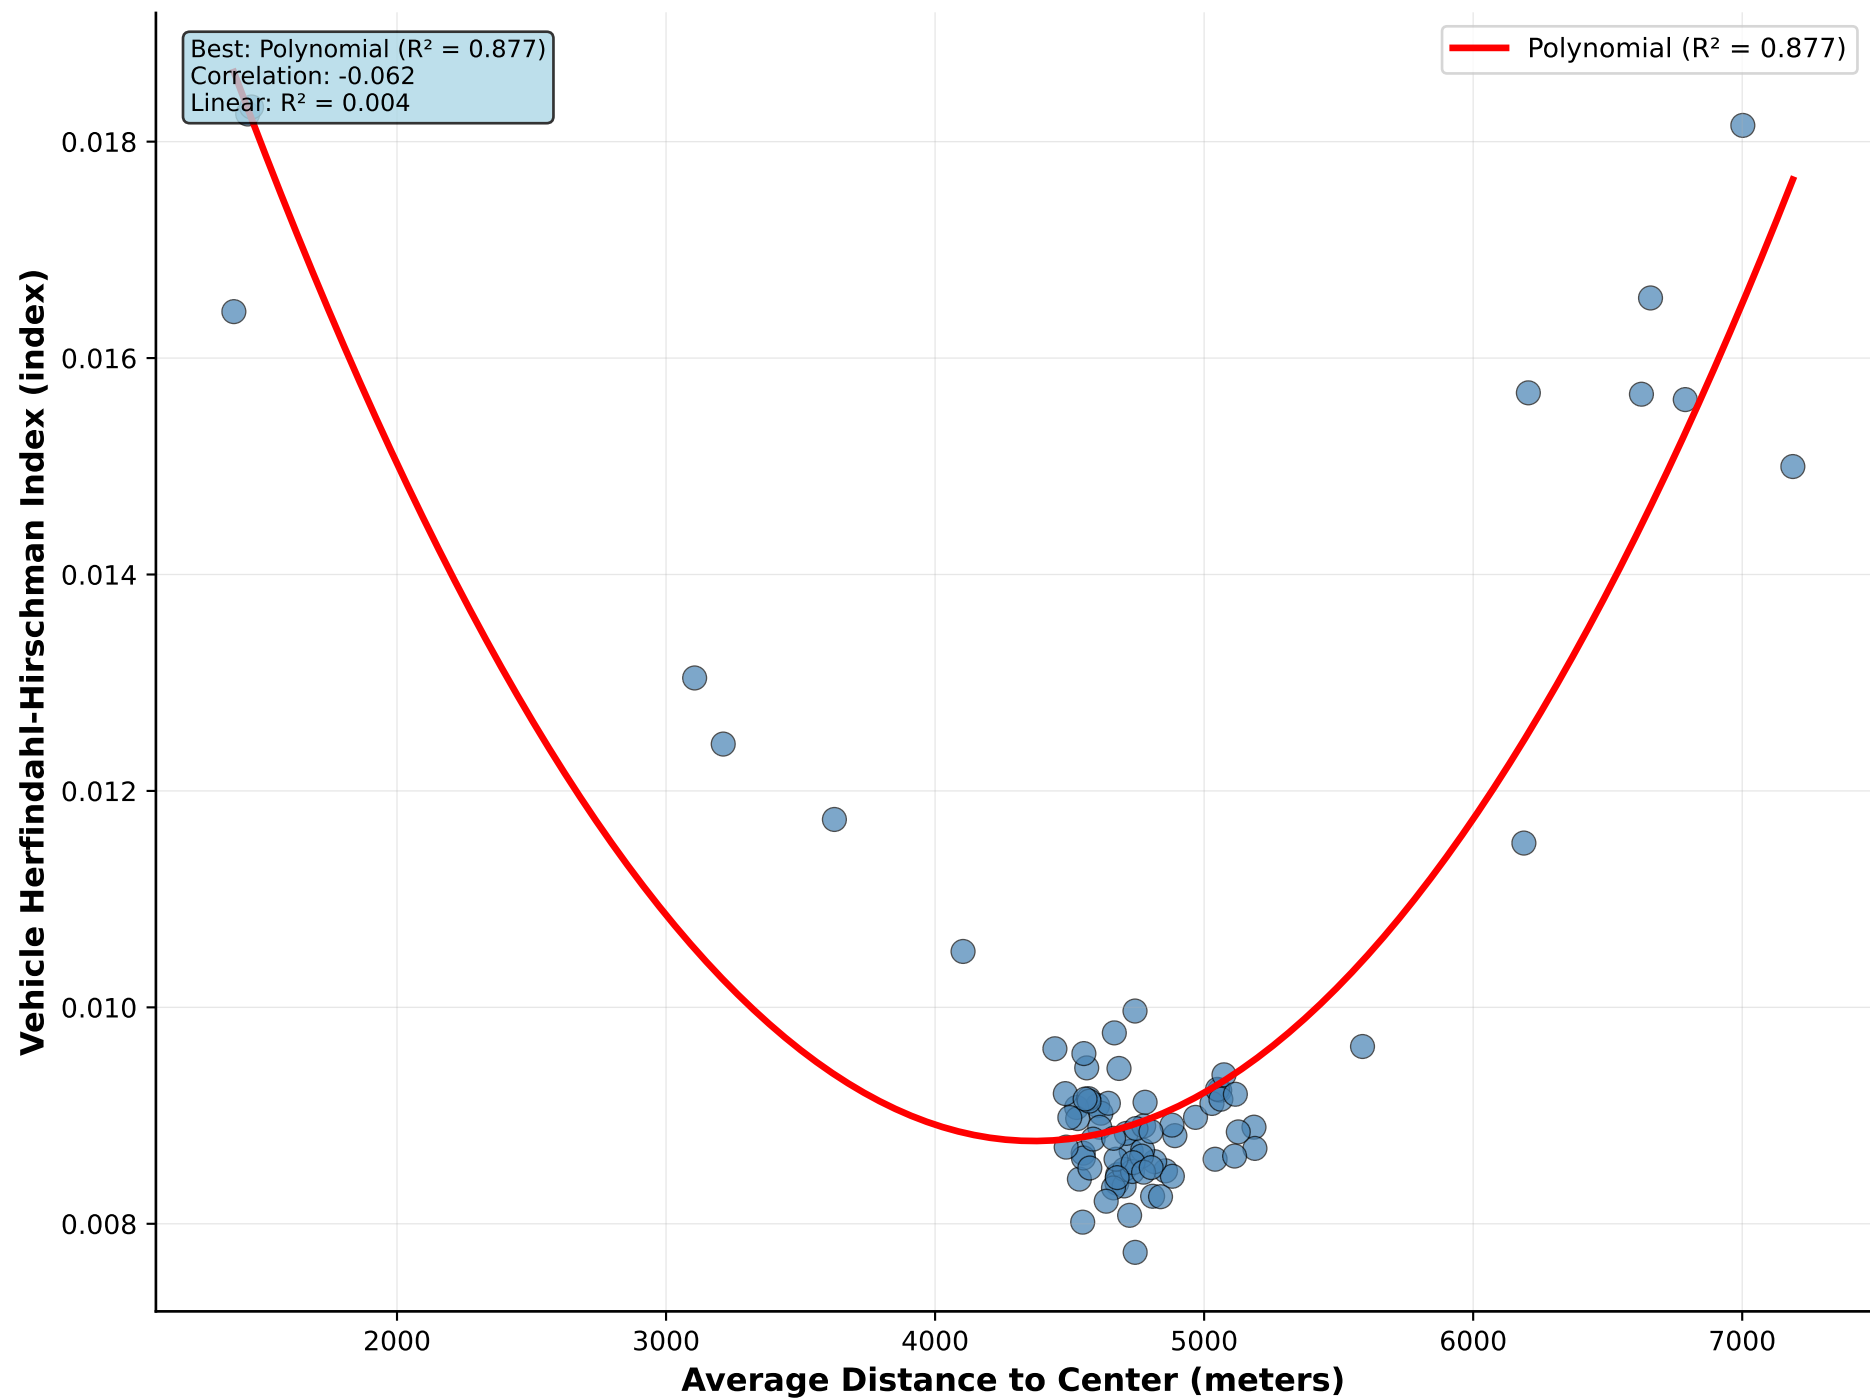

Average Distance to Center vs Vehicle Distribution Gini

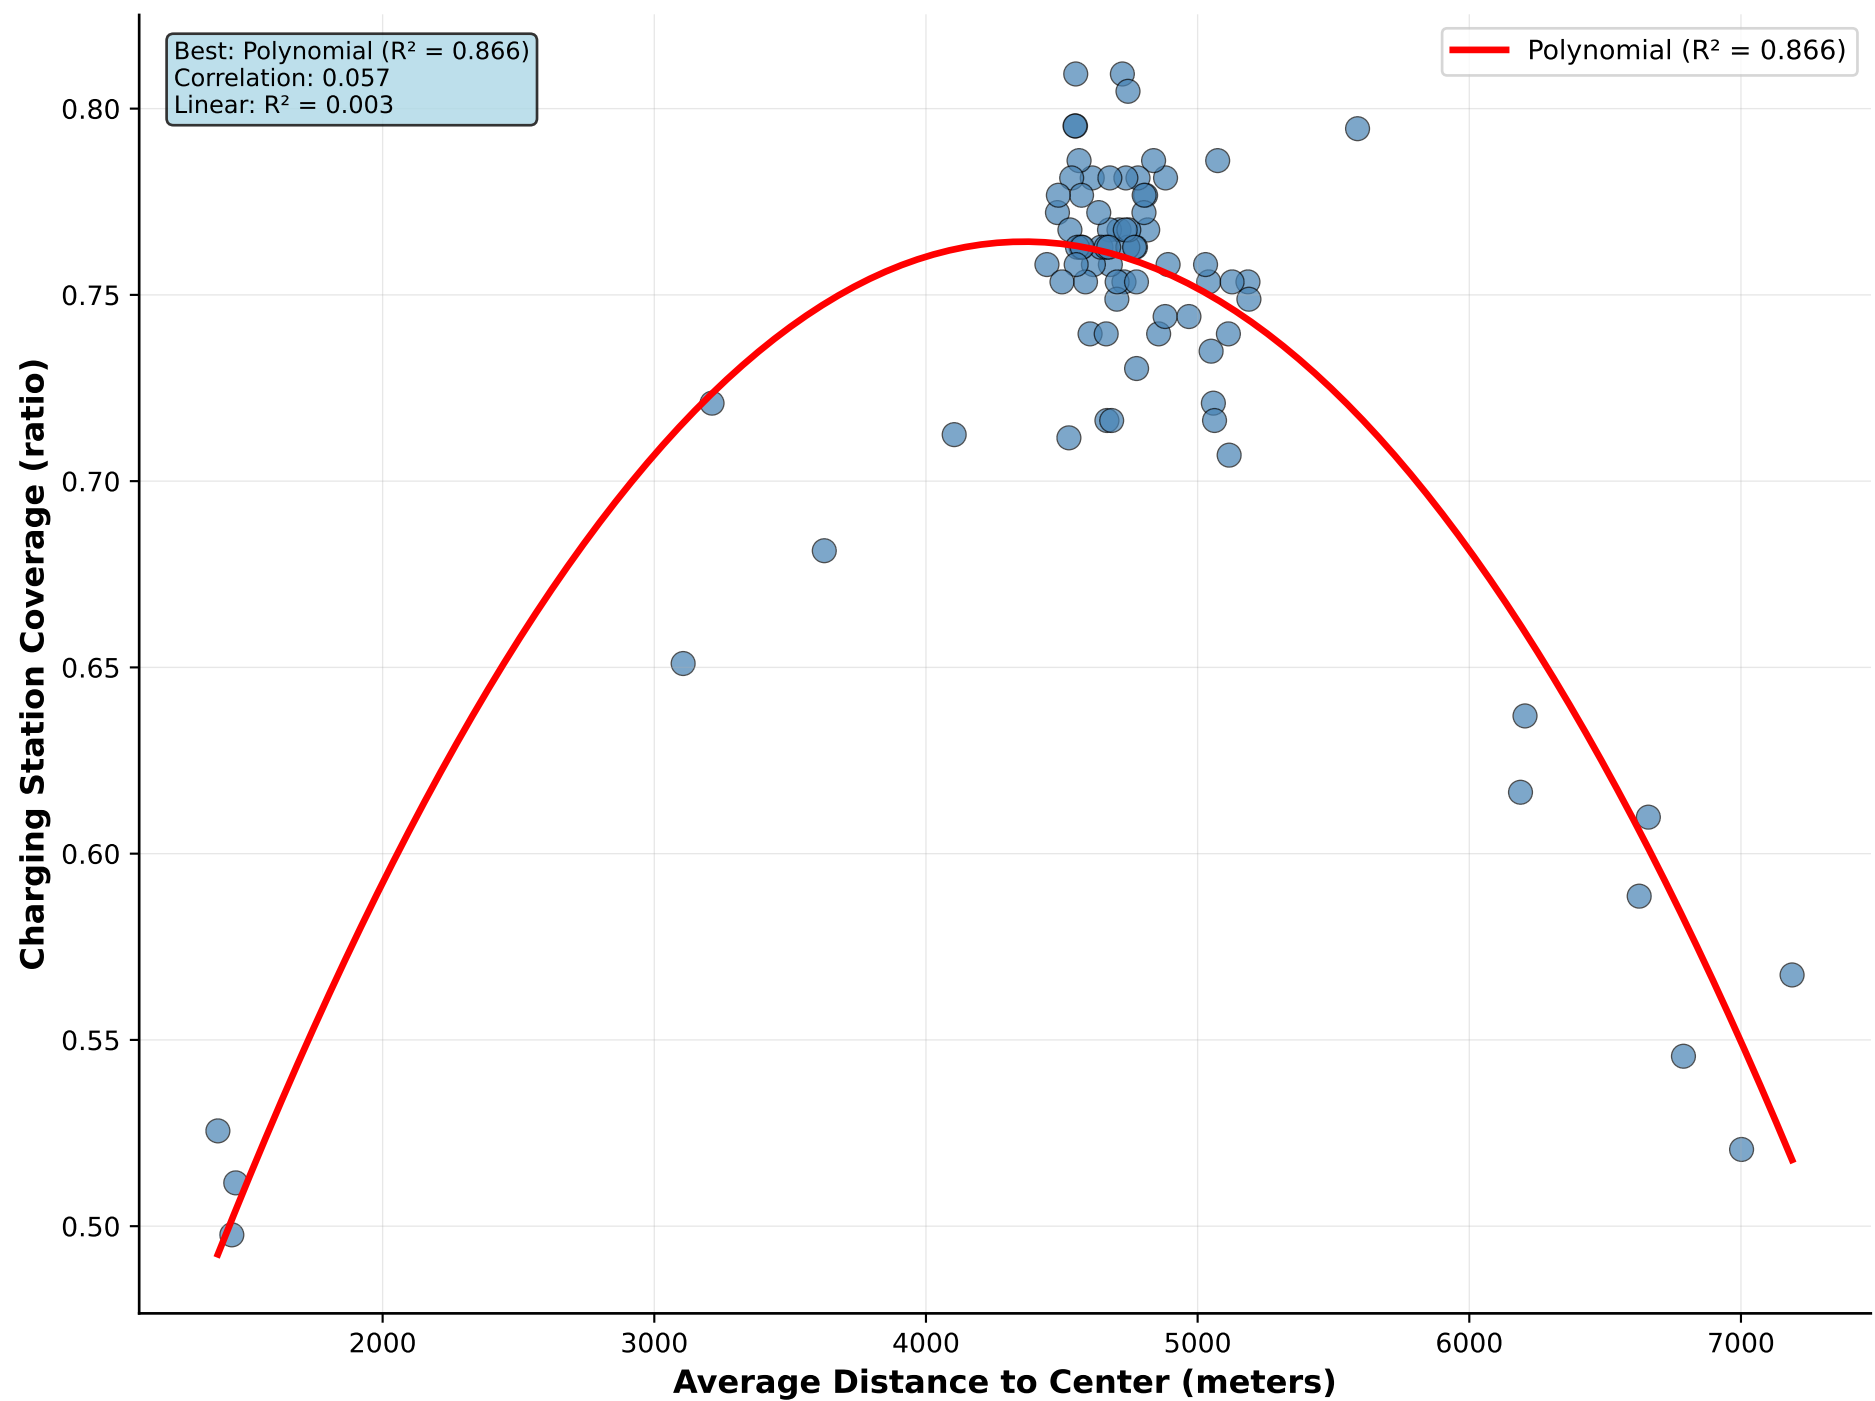

Average Distance to Center vs Vehicle Coefficient of Variation

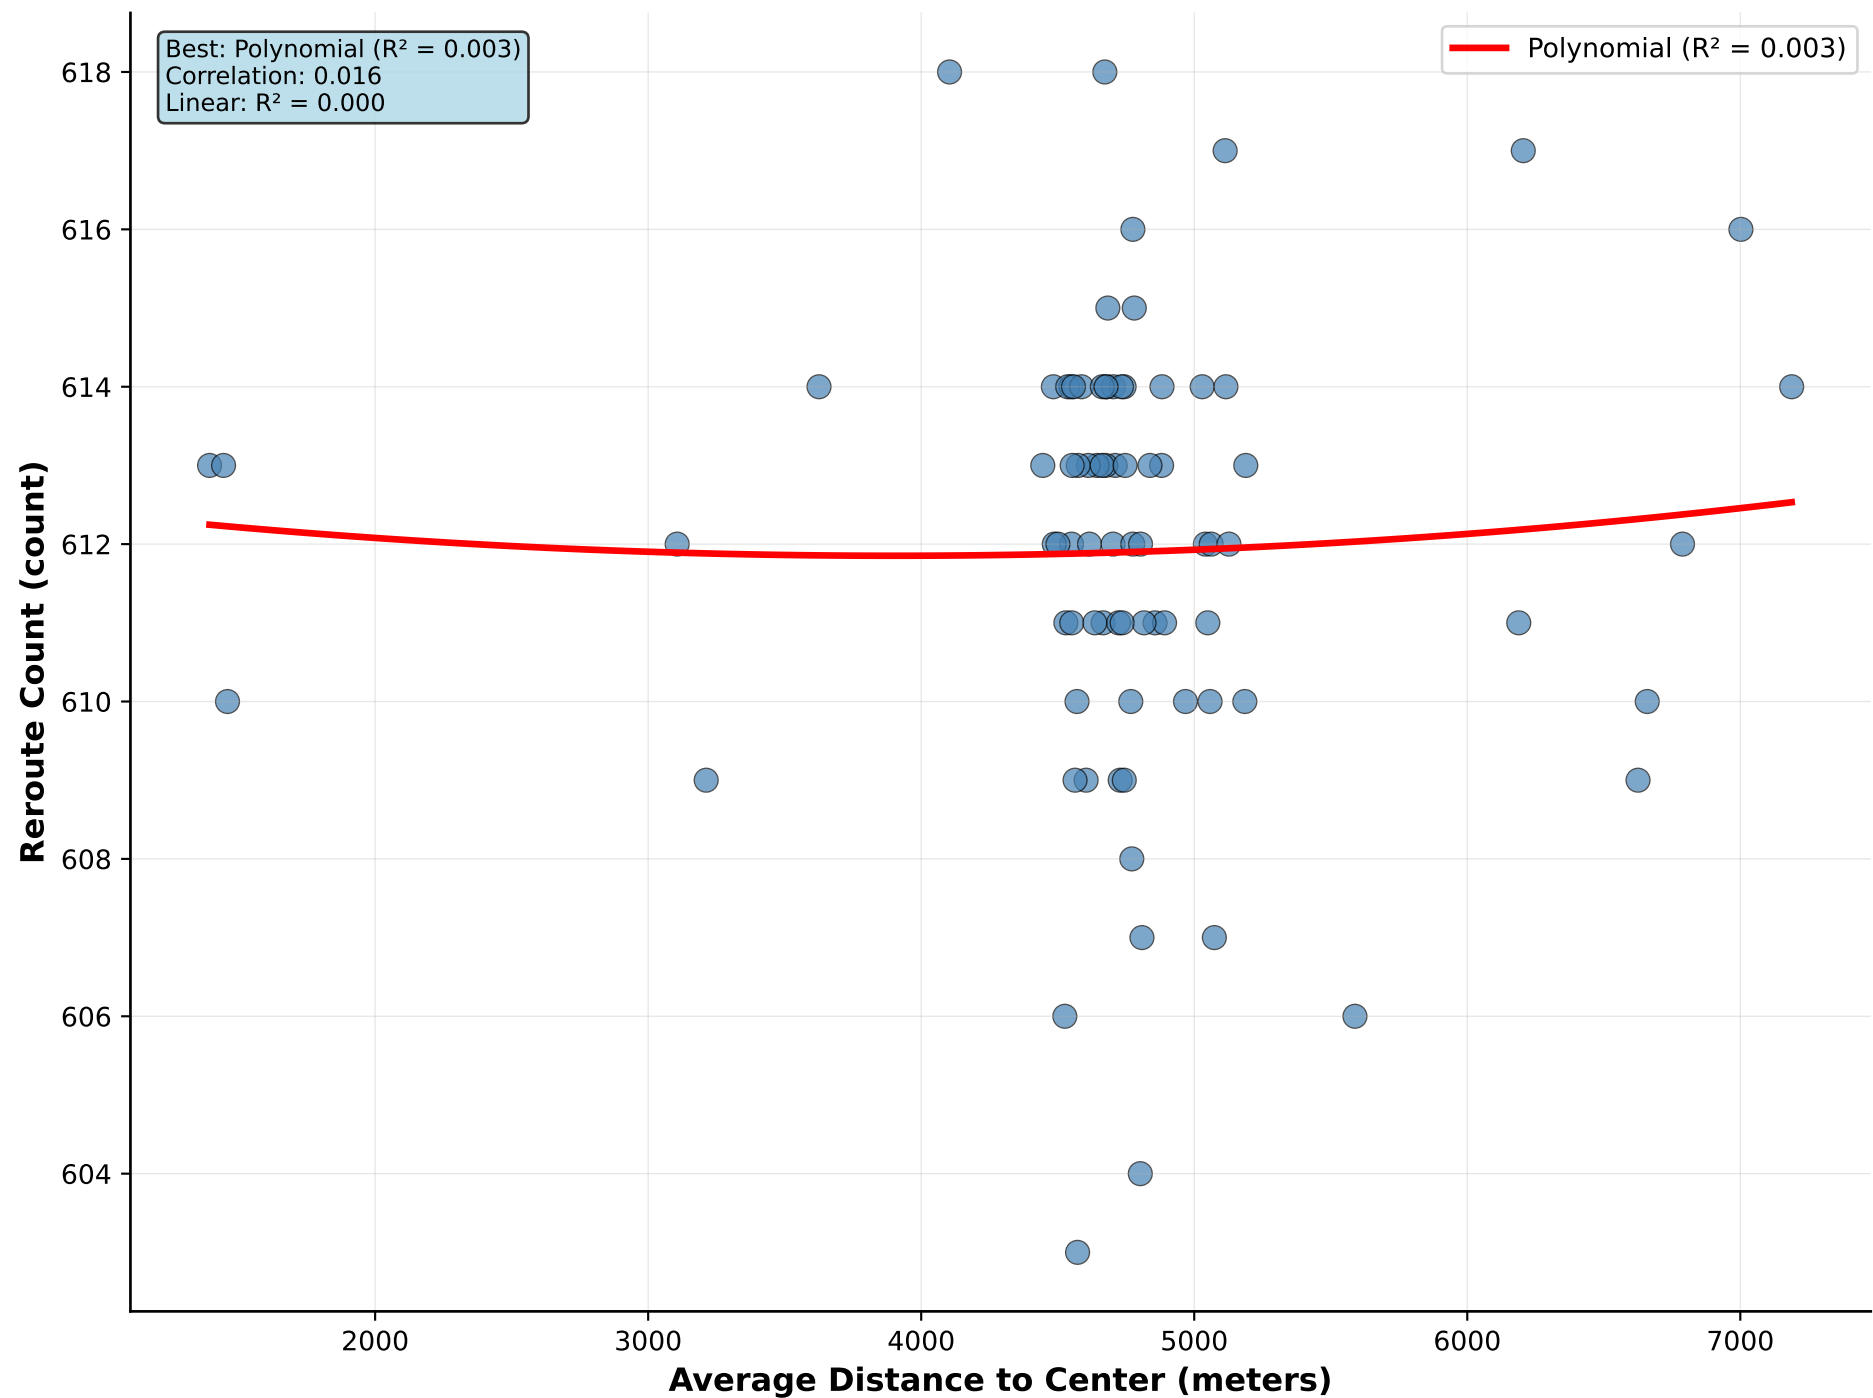

Average Distance to Center vs Vehicle Herfindahl-Hirschman Index

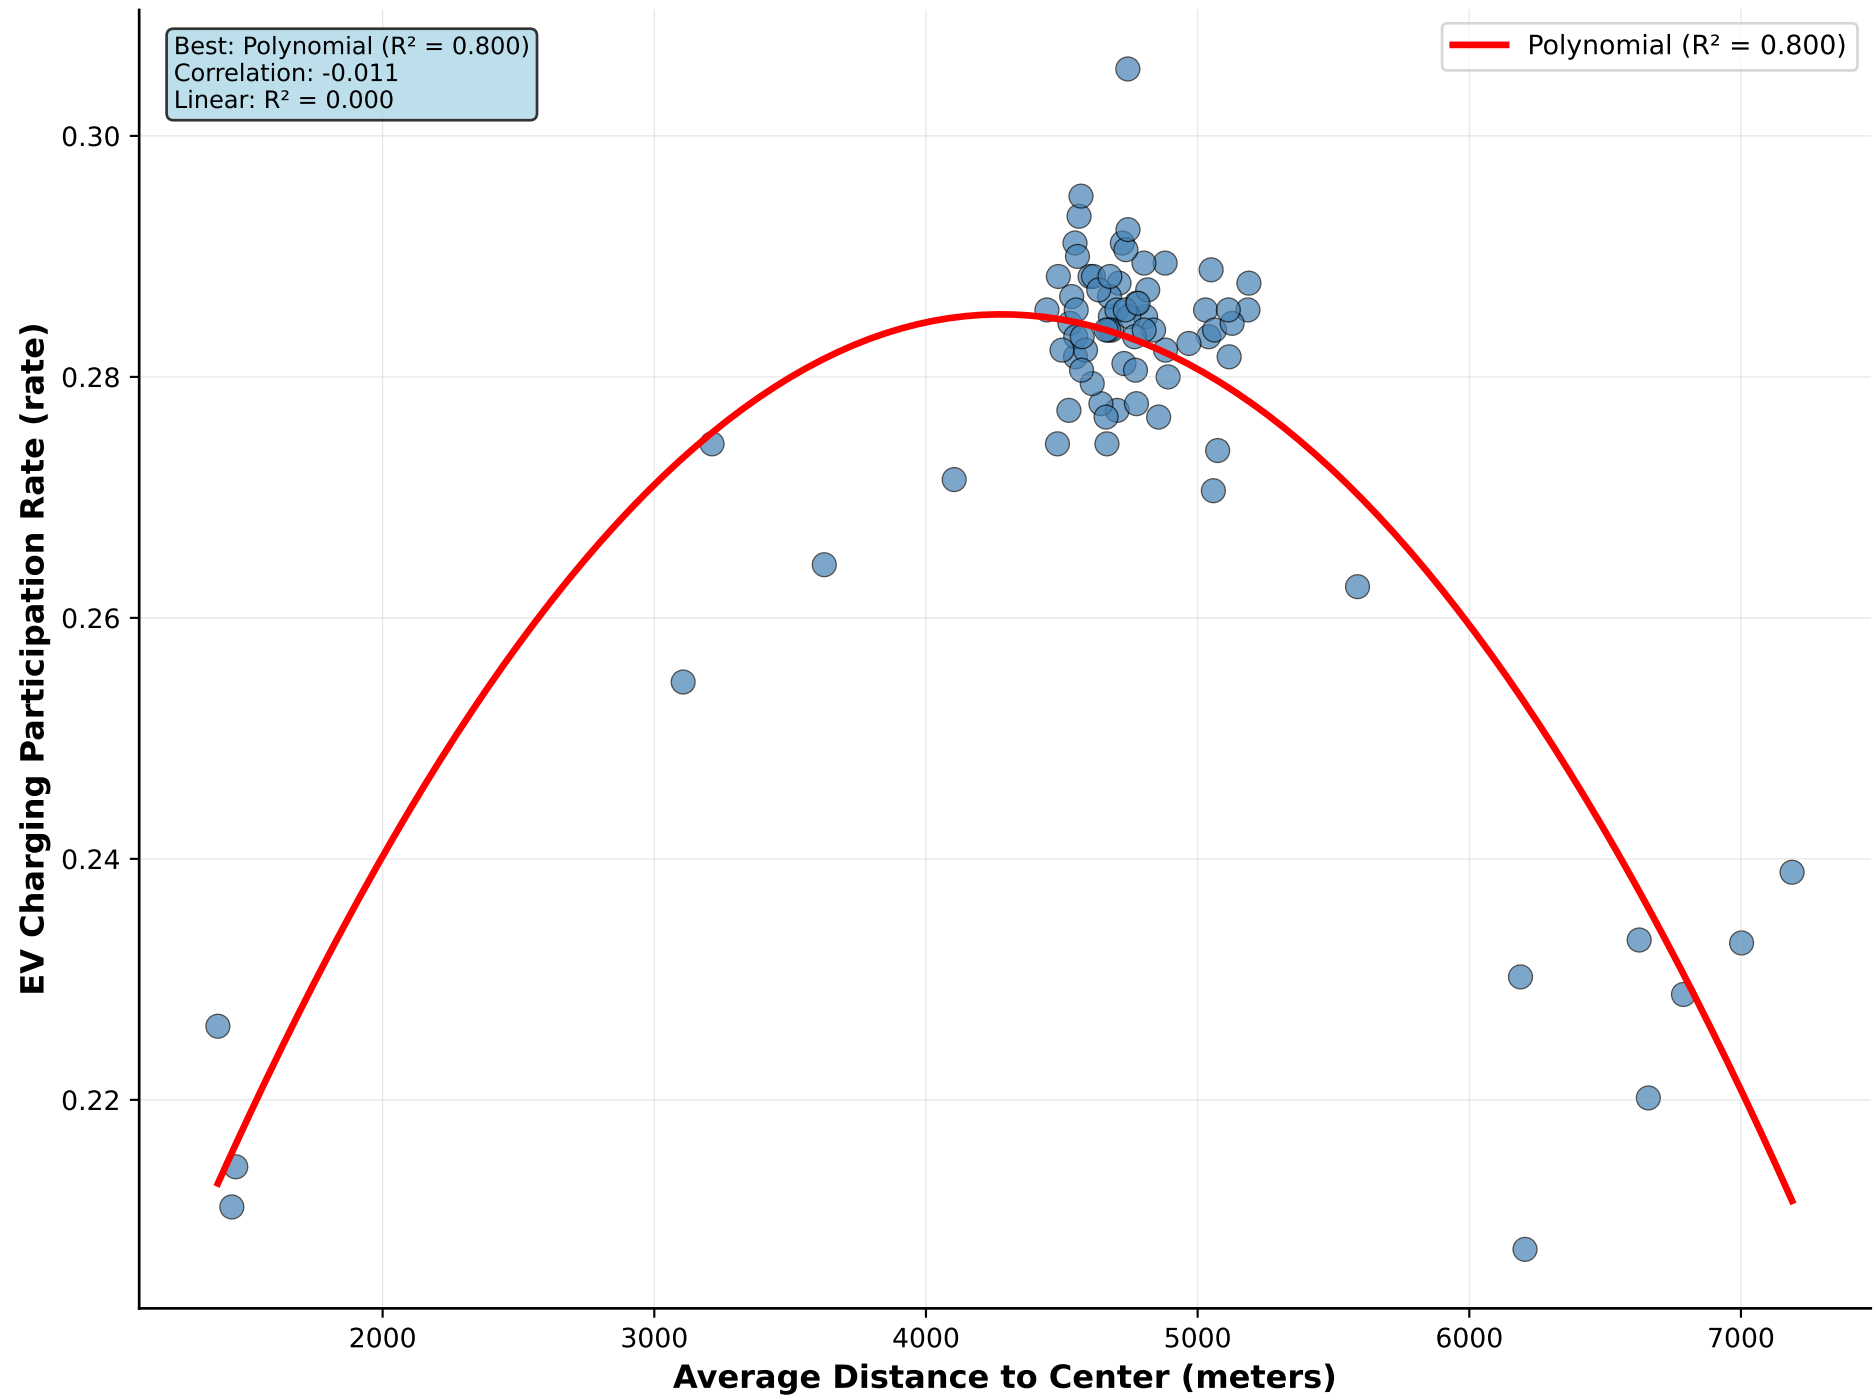

Average Distance to Center vs Charging Station Coverage

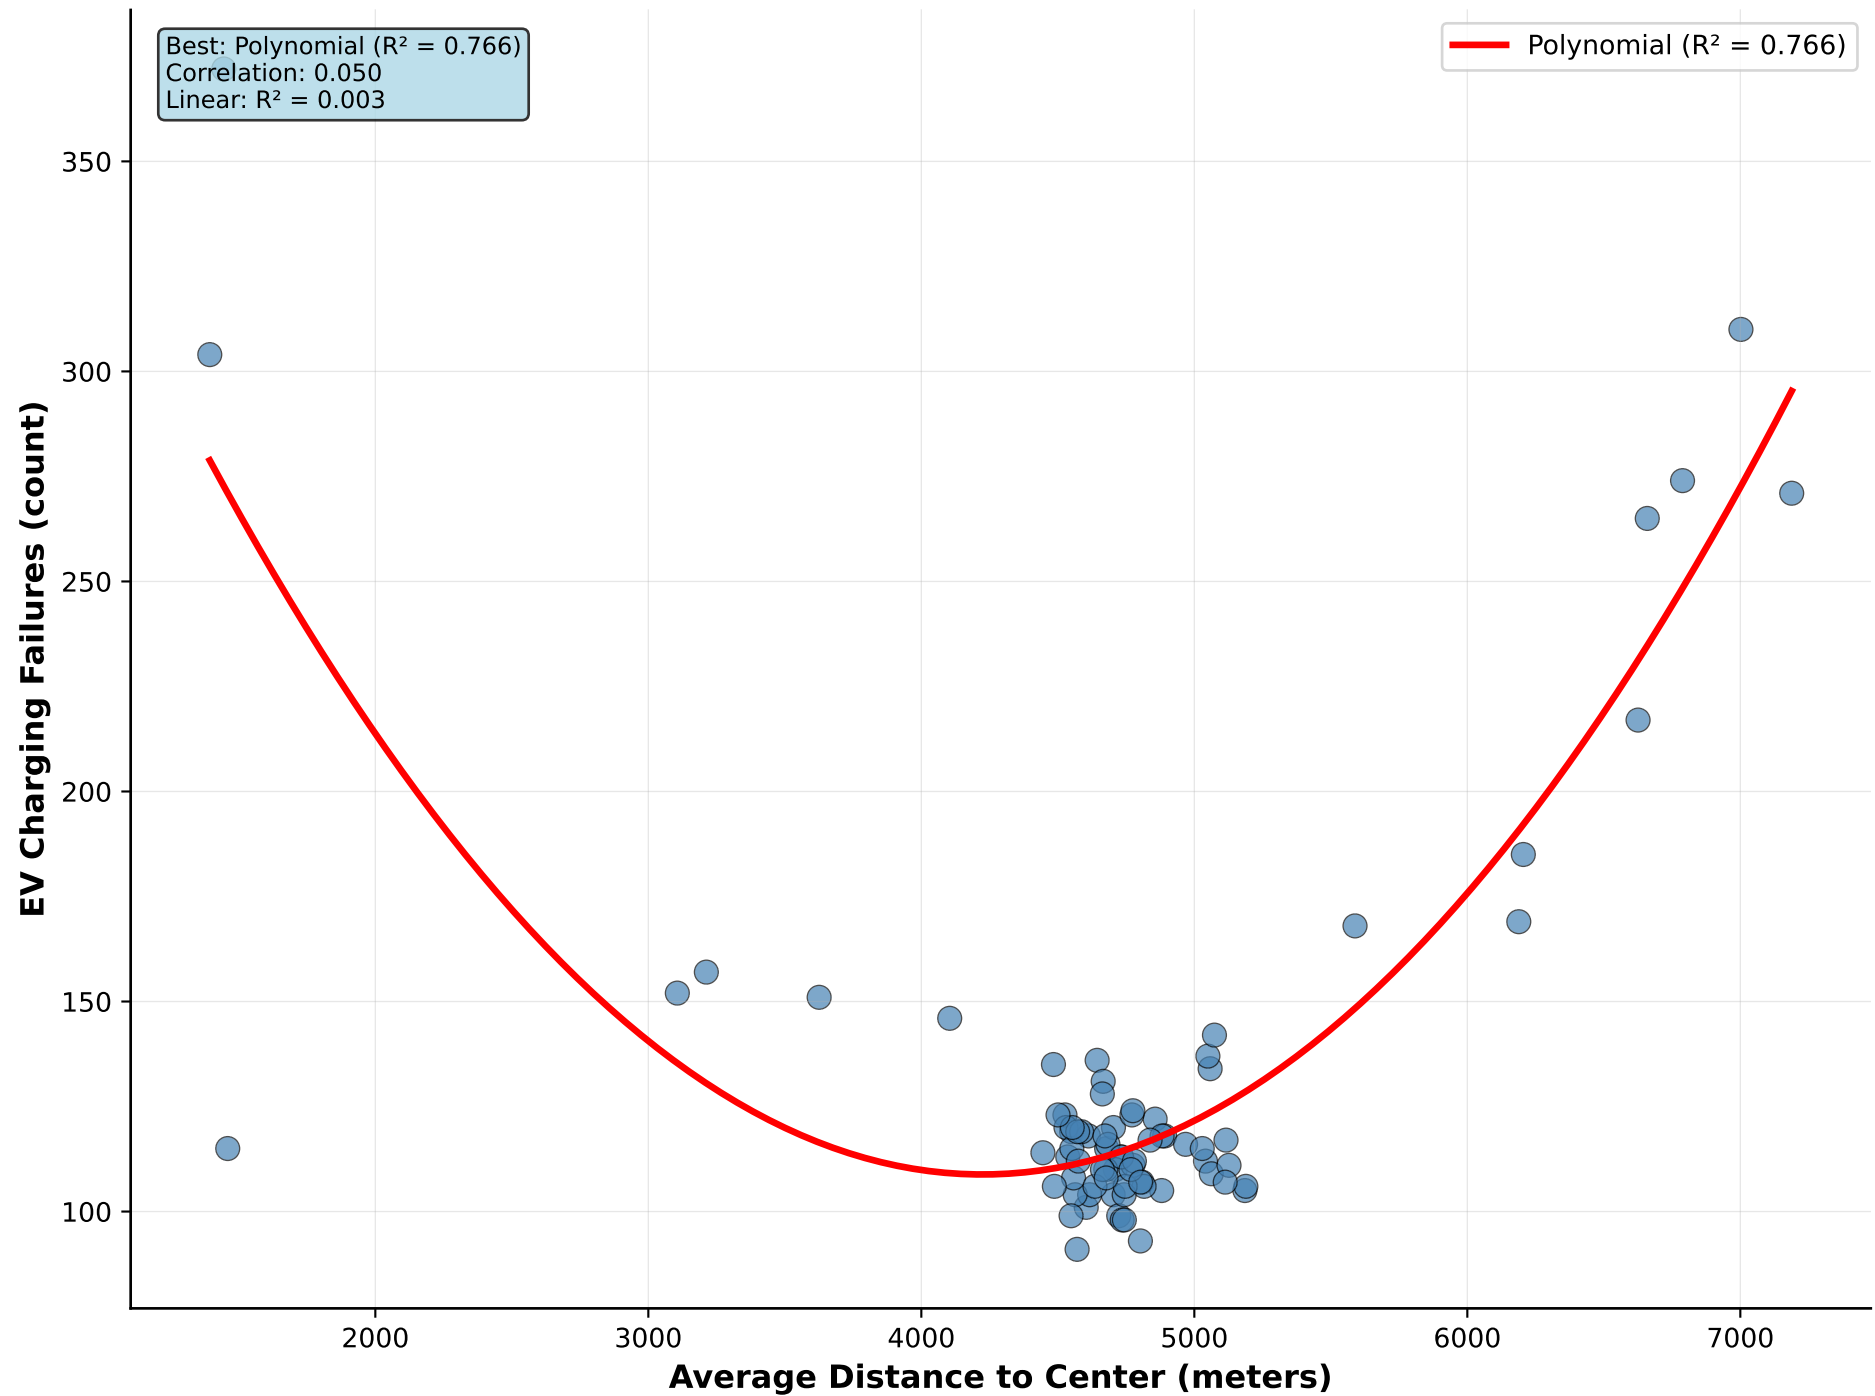

Average Distance to Center vs Reroute Count

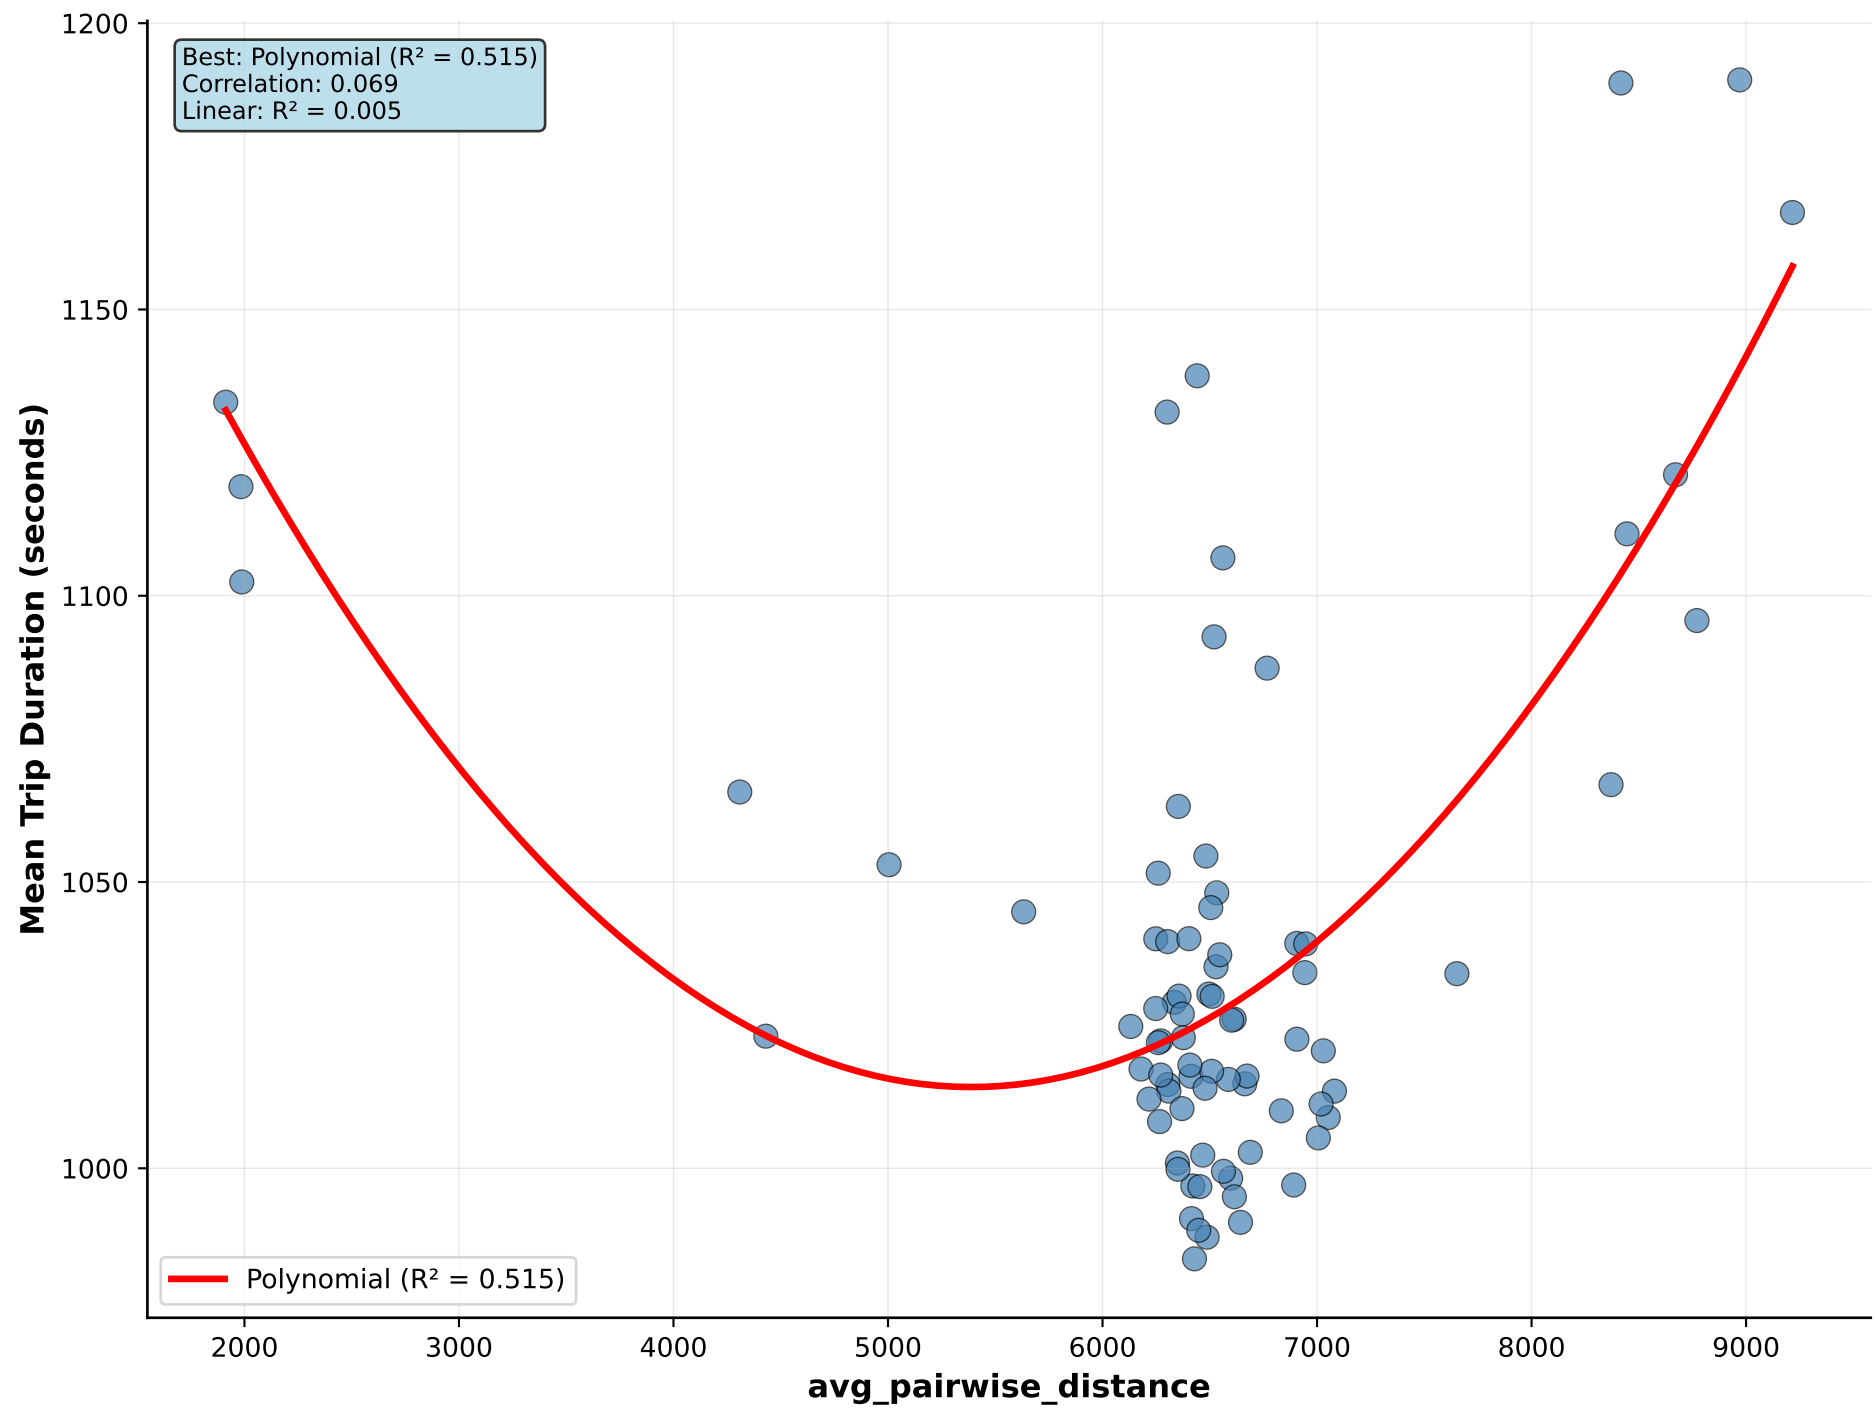

Average Distance to Center vs EV Charging Participation Rate

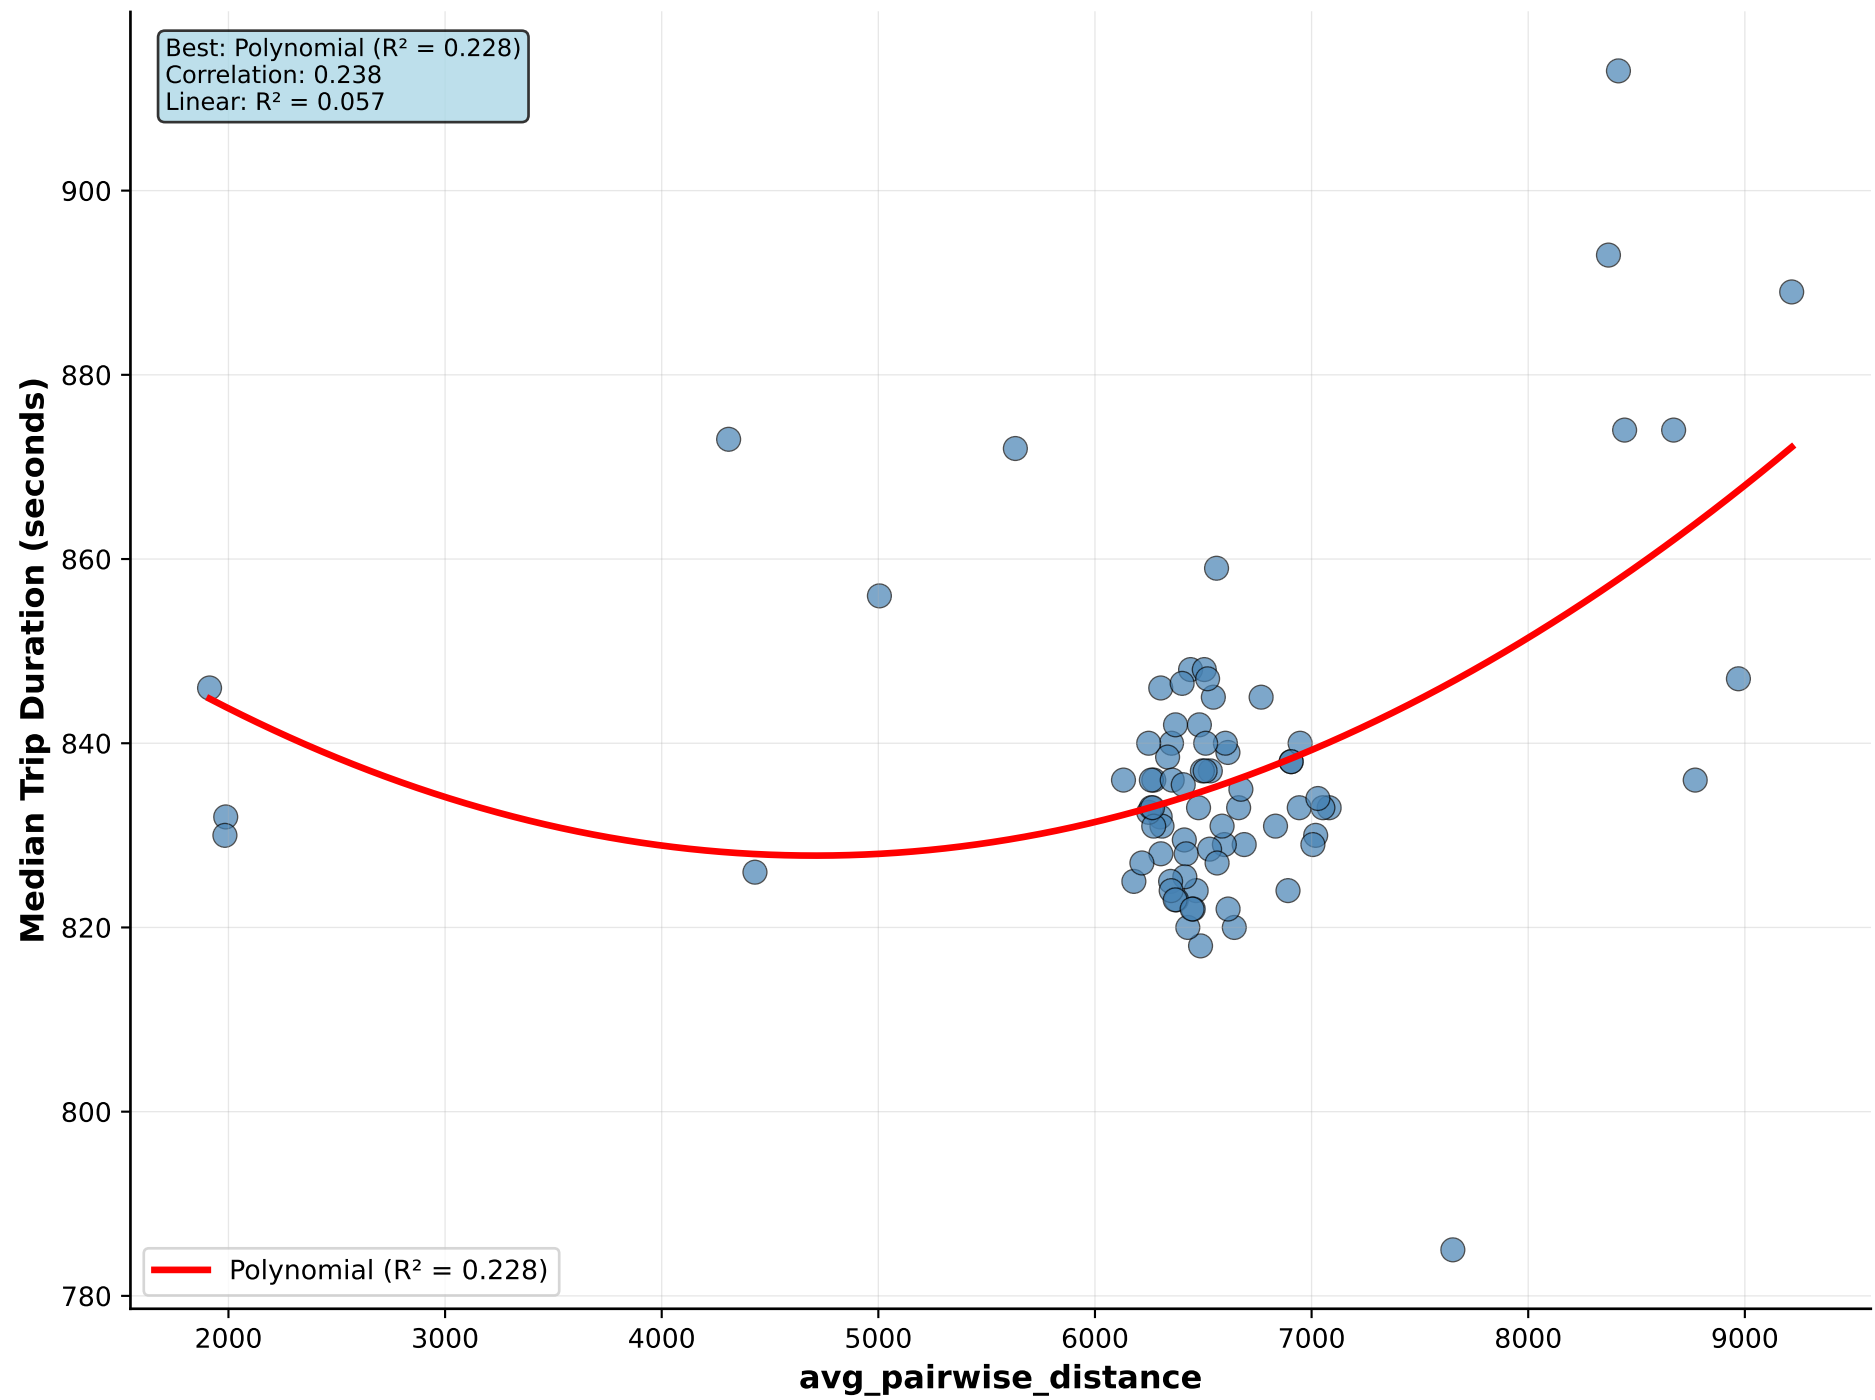

Average Distance to Center vs EV Charging Failures
